### 5. QUESTIONS FROM COUNCILLORS AND THE PUBLIC

#### 5 (e) From Ms S Barker to the Growth and Sustainable Communities Portfolio Holder

'Following the closure to all vehicular traffic of Park Lane (aka Gatehouse Lane) Histon for 7.5 weeks in February 2007 to create a cycle way, businesses and particularly the traders in Histon & Impington became aware of how severely their trade was affected. In October the same road was again closed by the County Council to construct crossings for the Guided Busway. This was despite petitioning of the County Council (with suggestions from the businesses for methods of maintaining through traffic). The character of Histon & Impington is largely dependent on the balance between residential, industrial and commercial areas.

What actions has South Cambridgeshire District Council taken, and what does it intend to do, to preserve the commercial businesses of the villages?'
