

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

COUNCIL MEETING
THURSDAY, 25 FEBRUARY 2010

AGENDA AND REPORTS

South Cambridgeshire Hall
Cambourne Business Park
Cambourne, Cambridge
CB23 6EA

The law allows Councils to consider a limited range of issues in private session without members of the Press and public being present. Typically, such issues relate to personal details, financial and business affairs, legal privilege and so on. In every case, the public interest in excluding the Press and Public from the meeting room must outweigh the public interest in having the information disclosed to them. The following statement will be proposed, seconded and voted upon.

"I propose that the Press and public be excluded from the meeting during the consideration of the following item number(s) in accordance with Section 100(A) (4) of the Local Government Act 1972 on the grounds that, if present, there would be disclosure to them of exempt information as defined in paragraph(s) of Part 1 of Schedule 12A of the Act."

If exempt (confidential) information has been provided as part of the agenda, the Press and public will not be able to view it. There will be an explanation on the website however as to why the information is exempt.

The Council is committed to improving, for all members of the community, access to its agendas and minutes. We try to take all circumstances into account but, if you have any specific needs, please let us know, and we will do what we can to help you.

AGENDA

5 (g) From Gillian Greenwood to Cllr Sue Ellington, Environmental Services Portfolio Holder

I understand that the council proposes to issue a blue wheelie bin for recycling purposes to each household. As we have a very small back garden and nowhere to store a third bin, I would like to know what provision you has been made for alternatives for someone like myself who does not need or want another large bin. Will I be able to refuse it? Will we be able to continue to use our green box? Will everyone be given a choice as I am sure many people feel the same way? I would appreciate it if you could look at this matter and advise me of the outcome.
