EXCLUSION OF PRESS AND PUBLIC

The law allows Councils to consider a limited range of issues in private session without members of the Press and public being present. Typically, such issues relate to personal details, financial and business affairs, legal privilege and so on. In every case, the public interest in excluding the Press and Public from the meeting room must outweigh the public interest in having the information disclosed to them. The following statement will be proposed, seconded and voted upon.

"I propose that the Press and public be excluded from the meeting during the consideration of the following item number(s) in accordance with Section 100(A) (4) of the Local Government Act 1972 on the grounds that, if present, there would be disclosure to them of exempt information as defined in paragraph(s) of Part 1 of Schedule 12A of the Act."

If exempt (confidential) information has been provided as part of the agenda, the Press and public will not be able to view it. There will be an explanation on the website however as to why the information is exempt.

Notes

- (1) Some development control matters in this Agenda where the periods of consultation and representation may not have quite expired are reported to Committee to save time in the decision making process. Decisions on these applications will only be made at the end of the consultation periods after taking into account all material representations made within the full consultation period. The final decisions may be delegated to the Corporate Manager (Planning and Sustainable Communities).

- (2) The Council considers every planning application on its merits and in the context of national, regional and local planning policy. As part of the Council's customer service standards, Councillors and officers aim to put customers first, deliver outstanding service and provide easy access to services and information. At all times, we will treat customers with respect and will be polite, patient and honest. The Council is also committed to treat everyone fairly and justly, and to promote equality. This applies to all residents and customers, planning applicants and those people against whom the Council is taking, or proposing to take, planning enforcement action. More details can be found on the Council's website under 'Council and Democracy'.

 - (d) a Travel Plan performance and evaluation fee of £900 per year for five years, payable to Cambridgeshire County Council;
2. the Conditions and Informatives set out in the report from the Joint Director for Planning and Economic Development, and confirmed in the update report; and
3. an additional Condition requiring the implementation of measures to control the movement of vehicles into the site from the London Road access.

The Case Officer drew the Committee's attention to paragraph 2 of the report relating to a recent change to Affordable Housing Thresholds in accordance with the Government's Written Ministerial Statement 2014. The Committee **approved** the application, subject to the Conditions and Informative set out in the report from the Joint Director for Planning and Economic Development, final wording and any minor amendments being agreed by the Joint Director for Planning and

Members noted the implications for this previously approved application, and for the proposed Legal Agreement under Section 106 of the Town and Country Planning Act 1990.

Norman Marles (applicant) and Councillor Dr. Tumi Hawkins (local Member) addressed the meeting.

The Committee gave officers **delegated powers to approve** the application, subject to

- 1, the Conditions and Informative set out in the report set out in the report from the Joint Director for Planning and Economic Development, final wording and any minor amendments being agreed by the Joint Director for Planning and Economic Development in consultation with the Chairman and Vice-Chairman of the Planning Committee; and
2. the prior completion of the Legal Agreement under Section 106 of the Town and Country Planning Act 1990 required by the Planning Committee at its meeting on 9 August 2017, amended to reflect a change in the way South Cambridgeshire District Council applies its affordable housing policy, following the Planning Portfolio Holder meeting on 11 December 2017.

Following a short debate, during which questions were raised about character, impact on neighbour amenity, and detriment to the Green Belt, the Committee **refused** the application contrary to the recommendation in the report from the Joint Director for Planning and Economic Development.
