Northstowe Delivery Board ***DRAFT* Terms of Reference**

This paper outlines a proposal to establish a Governance Board for the Northstowe Programme.

Purpose:

To deliver on South Cambridgeshire District Council's commitment to Northstowe, to build a number of Community and Sporting facilities; which will play a key role in ensuring Northstowe is an excellent place to live.

The role of the Board is to oversee and assist in the delivery of this programme of activity, supporting and working closely with the Senior Responsible Officer.

General Principles:

- To support
- To challenge
- To remove barriers/blockages
- To be accountable for delivery
- To utilise the Board Members expertise and knowledge for the benefit of delivery
- To keep the wider community and stakeholders engaged and involved in the programme as it develops. To strengthen these relationships and maintain a high level of communication.

Duties:

- To oversee and approve the workplan for the delivery of the buildings the Council is responsible for at Northstowe; this will include receiving regular updates on progress; performance; milestones; timescales; risks and issues.

- To help remove any identified blockages or barriers to delivery, in conjunction with the SRO
- To support the SCDC Senior Responsible Officer for Northstowe to ensure that projects are delivered on time and to budget; and to consider recommendations for resources (both skill-sets; capacity; and funding) as required
- To oversee the creation of, and ongoing development of a Communications Plan for the Programme, to ensure that local residents are kept closely informed of progress, and continue to improve and maintain community and stakeholder relationships
- To work alongside Officers to engage and/or influence partners/stakeholders who have an interest in the development and design of the buildings; and to align activities across organisations to ensure the buildings help to deliver the required services
- Agree and approve reports to Cabinet on the Northstowe Programme; and provide updates/reports to Members as appropriate
- Be visible champions for Northstowe, in the community and with wider stakeholders

The Board will not be engaged in the day-to-day activities of the delivery of the programme. This will be undertaken by the SCDC internal Officer Delivery Group, overseen by the SRO, in partnership with officers from other organisations.
