3. Living Sport Sports Award 2016

Nominations for the **Living Sport Sports Awards** for 2016 are now open. There is an array of awards such as Community Club of the Year, Coach of the Year and Volunteer of the Year which you can nominate for [here](#). You can also find a full list of available awards [here](#).

Nominations will close on the 30th September, a judging panel will then shortlist three nominees for each award who will then be invited to the Sports Awards Evening on Thursday 24th 2016 at the Burgess Hall in St Ives. It is a truly inspirational event and a great chance to celebrate the hard work, dedication and commitment of the various members of our sporting community over the last year.

I would be very grateful if you and your colleagues could consider whether any projects or people from your area should be nominated for an Award. You are particularly well placed to be aware of nominees for Awards such as the Matthew Warn Power of Sport Award, Jonnie Peacock Award or perhaps Workplace of the Year Award.

I hope you will be able to consider nominees for these awards and make the information

available to appropriate contacts. Alternatively please let me know of potential nominees and one of my team will follow up. To find out more about the awards or read about the winners from 2015 see our [website](#).

PARISH COUNCIL INFORMATION

4. Parish Council Referendum Requirement

The Government launched a technical consultation on the 2017/18 local government financial settlement on 15 September; web-link here:

<https://www.gov.uk/government/consultations/local-government-finance-settlement-2017-to-2018-technical-consultation>

It contains a proposal to introduce a referendum requirement for large parish councils that increase council tax above a, to be determined, threshold. The relevant text is as follows:

"that referendum principles are introduced for town and parish councils whose Band D precept is higher than that of the lowest charging district council for 2016/17 (£75.46), and which have a total precept for 2016/17 of at least £500,000, while taking account of transfers of responsibilities, and that consideration is given to the extension of referendums to all local precepting authorities."

It would appear that no parishes in South Cambs would be caught by this requirement as proposed but parish councils might wish to note that views are being sought on widening this requirement to all parish councils.

The deadline for responding to the consultation is 28 October 2016.
