Other Options Considered: The Leader considered each application carefully and had the option of awarding alternative amounts, within the accepted criteria of the scheme.

Reason For Decision: All applications that met the criteria were awarded the total applied for with the exception of the following applications:

Grinnel Hill BMX Club received less than applied for as it was considered that cheaper alternative locks should be considered.

Reboot Cambridge Community Interest Company's application was deferred due to uncertainties regarding its current location.

The Waterbeach and Landbeach Action for Youth Project (WAY)'s application was agreed in principle as cheaper acoustic boards could be available from Gamlingay Records.
