**UPCOMING DISTRICT COUNCILLOR TRAINING**

Unless otherwise specified, please confirm your availability to attend any of the following briefing or training events by contacting [Patrick Adams](#) on 01954 713408. This will ensure your training records are kept up to date and suitable venue and catering booking can be made. Your cooperation is greatly appreciated.

**2. Housing Briefing: Thu 17 Nov at 10am**

On Thursday 17 November Stephen Hills, Director of Housing, is giving a briefing for district councillors at 10am in the Council Chamber. The briefing will cover the following issues:

- The role of the local authority as housing delivery enablers as envisaged by the Elphicke House report
- The role of housing in contributing to place making
- The role of housing in relation to health and well being

The session is designed to relate these strategic themes to specific Council led projects and to the Council's corporate objectives - Stephen Kelly Director of Planning and Economic Growth will also be in attendance.

The feedback from this session will help with shaping the development of a new housing strategy for 2017 to be undertaken in conjunction with Cambridge City Council.

If you would like to attend this briefing, please e-mail me: [Patrick.Adams@scambs.gov.uk](mailto:Patrick.Adams@scambs.gov.uk)

## GENERAL INFORMATION

### 3. Media Monitoring

Arising from the results of the Member Communication Needs Survey, many members highlighted the fact that residents found out about SCDC matters through the media.

The Council's Communications Team will produce a weekly summary of recent news items to be published in the Bulletin to help keep members informed of recent coverage of SCDC.

Contact the [Communications Team](#) for further information.

Soaring house prices and falling home ownership rates in the UK have not been driven by a lack of new housing construction, a Labour party-commissioned review has found.

Wednesday 16 November: *Times*: [Ban on lorries "fly-parking" on roadside](#)

Lorry drivers face being banned from parking by the roadside under plans to combat the growing problem of "fly-parking". The Department for Transport said it would not rule out legislation to tackle the problem.

#### 5. View Planning Applications

To view the list of planning applications that have recently been submitted to the Council, please visit the authority's on-line [Planning Application Search](#). Once the page has loaded, you can use the [Search option](#) to set your own criteria of parish, area and date range.

The system will provide a range of information on current and decided applications since 1948, including a brief description of the development, reference number, decision and the date of decision. More recent applications show the name and telephone number of the council officer who is dealing with the application.

Search results are presented in a collection of pages, the number of which depends on the number of results your search produces. There are navigation tools to allow you to browse your results.
