Part of the South Cambridgeshire Community Safety and Young People's Partnership work to raise awareness of Child Sexual Exploitation, "Tough Love" will be performed in all South Cambridgeshire secondary schools over the coming weeks for students aged 11+. In addition, there are 5 public performances of "Tough Love" being put on for anyone in the community who wants to understand more about signs of abuse in teenage relationships. Details of these bookable (but "free-of-charge") community performances are contained in the attached posters. We'd be grateful if you could promote "Tough Love" in your local Parish area and of course, you'd be welcome to attend.

We will be looking at the kinds of services and ideas you might like to see replicated in your local area, how to make this happen and hopefully giving information about setting up, funding, training and support. There will be time allocated to networking, stalls and case studies to take away on the day.

Confirmed speakers and attendees include:
