Applicant: Lesley Sherratt, Chairman, Grantchester
Parish Council

The application

To consider a request from Grantchester Parish Council for all Broadway to be designated a consent street under the Local Government (Miscellaneous Provisions) Act 1982.

Background

A request from the Parish Council was received on 13th February 2017 to designate Broadway, Grantchester consent street status to control street trading on this road. There has been a recent history of a street trader parking up on the Broadway to

prepare and sell food. Because of the restricted width of the road and the size of the trailer, there have been issues with the vehicle causing an obstruction to the highway and for vehicles driving through the village.

If the request is approved, the relevant street will be listed in a public notice of intention. Local member(s) and Police and Highways Authorities will be consulted, with twenty-eight days allowed for representations. The Licensing Committee will then consider such representations and may resolve or refuse the designation request. If the decision is to confirm the designation, then the resolution will be advertised by public notice on two further occasions.

The decision

The Sub-Committee decided to **approve the request to proceed to consultation** to designate Broadway, Granchester consent street status to control street trading on this road. The Sub-Committee noted that issues of public safety, noise nuisance, smells and trading in close proximity to residents were all relevant factors raised by the Parish Council.
