7. S/2927/17/FL - LITLINGTON (SHEEN FARM, ROYSTON ROAD)

Members visited the site on 6 February 2018.

Referring to paragraph 55 of the report, the case officer said that the Council could now demonstrate a 4.5 year supply of housing land, rather than 4.1 years, as stated.

Rob Dean (Project Manager, Housing Development (New Build)), Councillor Alan Pipe (Litlington Parish Council) and Councillor Nigel Cathcart (a local Member) addressed the meeting.

The ensuing debate focussed on the question of housing land supply, affordable housing, and the impact on the nearby Listed Buildings.

The Committee gave officers **delegated powers to approve** the application subject to:

1. the prior completion of a Legal Agreement under Section 106 of the Town and Country Planning Act 1990 (or as otherwise deemed appropriate) securing those contributions set out in Appendix 1 to the report from the Joint Director for Planning and Economic Development, final wording being delegated to officers in consultation with the Chairman and Vice Chairman of the Planning Committee; and

9. S/4469/17/OL - CASTLE CAMPS (LAND SOUTH OF BARTLOW ROAD)

The case officer reported that paragraph 76 of the report should begin, "The site is currently a piece of *scrub* land situated within the South Suffolk and North Essex..."

Hayley Doyle (applicant's agent), Councillor Sue Herbert (Castle Camps Parish Council) and Councillor Richard Turner (a local Member) addressed the meeting.

There was some debate as to the weight that could now be given to the emerging Local Plan. While the Chairman welcomed the applicant's offer to pay for a Traffic Order regulating the speed limit adjacent to the proposed development, the Senior Planning

Lawyer reminded Members that, as the Local Highways Authority had not objected to the proposal, such offer was not a material planning consideration, and must not be considered as such. He also said that a Traffic Order could not be required as part of a Legal Agreement under Section 106 of the Town and Country Planning Act 1990 because such an Order in this case was not required to make acceptable an application that would otherwise be unacceptable.

After a short debate, the Committee **approved** the application subject to the Conditions and Informatives set out in the report from the Joint Director for Planning and Economic Development.
