2. A14 C2H Welly Walk 9 September 2018

Please find attached details of a charity walk to raise funds for Cancer Research. The upcoming A14 C2H Welly Walk will take place on Sunday 9 September and is a good opportunity to get on the A14 construction site and see it first-hand.

3. A14 Cambridge to Huntingdon Road Closures

Construction work on the new A14 Cambridge to Huntingdon scheme is underway. Please find attached details of planned road closures this week.

4. Exercises to prevent falls in Older People: Strength and Balance Campaign

Helen Tunster, Senior Partnership Manager – Falls Prevention, Public Health Directorate at Cambridgeshire County Council has been working with partners on a social marketing campaign to encourage older people (particularly women 70-79 years) to take up strength and balance exercise classes or home programmes to reduce their risk of falling. The campaign is due to launch on 1st October 2018. A communications toolkit including a newsletter article, social media, posters and leaflet is in development.

Please contact Helen on helen.tunster@cambridgeshire.gov.uk for more details and if you are interested in being included in any local communications to help support the campaign.

GENERAL INFORMATION

5. Media Monitoring

Arising from the results of the Member Communication Needs Survey, many members highlighted the fact that residents found out about SCDC matters through the media.

The Council's Communications Team will produce a weekly summary of recent news items to be published in the Bulletin to help keep members informed of recent coverage of SCDC.

Contact the [Communications Team](#) for further information.

Items of Interest from the Local Government Association (LGA)

The Local Government Association provides a list of news headlines relevant to its members. Please click the headlines below for more details.

Sunday 5 August: *CBBC Newsround*: [Just a third of plastic waste can be recycled. So what's going on?](#)

The LGA has revealed around 525,000 tonnes of plastic pots, tubs and trays are used by households in the UK every year, but only 169,000 tonnes of this waste is able to be recycled.

Wednesday 8 August: *Times*: [Morrison's drops plastic wrapping on cucumbers](#)

The supermarket chain Morrison's is removing plastic wrapping from cucumbers in a bid to cut down on plastic waste.

7. View Planning Applications

To view the list of planning applications that have recently been submitted to the Council, please visit the authority's on-line [Planning Application Search](#). Once the page has loaded, you can use the [Search option](#) to set your own criteria of parish, area and date range.

The system will provide a range of information on current and decided applications since 1948, including a brief description of the development, reference number, decision and the date of decision. More recent applications show the name and telephone number of the council officer who is dealing with the application.

Search results are presented in a collection of pages, the number of which depends on the number of results your search produces. There are navigation tools to allow you to browse your results.

EXECUTIVE DECISIONS TAKEN SINCE WEDNESDAY 1 AUGUST 2018

In accordance with the [Access to Information Procedure Rules in Part 4 of the Council's Constitution](#), any executive decision shall be published normally within five days of being made. That record will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless called in for review by the Chairman of the Scrutiny and Overview Committee or by any five other councillors.

A list of decisions currently within the call-in period is available [on the Council's website](#).

The call in procedure is set out in full in [Part 4 of the Council's Constitution, 'Scrutiny and Overview Committee Procedure Rules'](#).

8. Community Chest Grants

The Finance Portfolio Holder **agreed** to award £1,000 to The Ickleton Society for the printing costs about Ickleton's contribution to The Great War.

The Finance Portfolio Holder declined to award a grant to Willingham Combined Charity, as the project could not be completed within the required 12 months and an application from All Saints' Playgroup serving Waterbeach and Landbeach was deferred, to await supporting documentation.

These decisions were first published on Monday 6 August and so the deadline for call-in is Monday 13 August at 5pm. If not called-in, this decision can be implemented on Tuesday 14 August.

9. Community Energy Grants

The Finance Portfolio Holder agreed to award:

- £2,435 to Hatley Parish Council to replace doors on the Village Hall.
- £3,000 to Foxton Village Hall to upgrade the lighting.

This decision was first published on Monday 6 August and so the deadline for call-in is Monday 13 August at 5pm. If not called-in this decision can be published on Tuesday 14 August.

10. Amendment to Discretionary Business Rate Relief Policy

The Finance Portfolio Holder **agreed** to adopt the updated version of the Discretionary Business Rate Relief Policy, as shown in Appendix B.

This decision was first published on Thursday 2 August and so the deadline for call-in is Thursday 9 August at 5pm. If not called-in this decision can be implemented on Friday 10 August.

11. 1-3 Willingham Green, Brinkley

The Housing Portfolio Holder **agreed** to authorise the disposal of the property on the market to achieve best price.

This decision was first published on Thursday 2 August and so the deadline for call-in is Thursday 9 August at 5pm. If not called-in this decision can be implemented on Friday 10 August.

12. Update on South Cambridgeshire District Council's Statement of Community Involvement and the Neighbourhood Plan Decision Making Process

Cabinet

- (i) approved the revised Support Offer to parish councils preparing neighbourhood plans as set out in Appendix A;
- (ii) approved the addendum to the SCDC SCI 2010 as set out in Appendix B to this report;
- (iii) delegated to the Joint Director of Planning and Economic Development, in consultation with the Planning Portfolio Holder, the decision making process for designating a Neighbourhood Area and how the council responds to parish councils carrying out a pre-submission consultation on their Neighbourhood Plan; as set out in this report at paragraphs 26-33 and
- (iv) delegated to the Joint Director of Planning and Economic Development, in consultation with the Planning Portfolio Holder the making of a Neighbourhood Plan before it is referred to Full Council as set out in paragraph 34.

This decision was first published on Thursday 2 August and so the deadline for call-in is Thursday 9 August at 5pm. If not called-in this decision can be implemented on Friday 10 August.

13. Response to the Uttlesford Local Plan pre-submission consultation

Cabinet **AGREED:**

1. That the Planning Policy Manager be requested to review and clarify the intent of the wording in revised paragraph 55 as presented to the meeting and that the Deputy Leader of the Council be authorised to confirm the wording of that paragraph having regard to the professional advice of the Planning Policy Manager;
2. That the following additional paragraph 61a be included in the response:

“Electricity Grid Capacity

61a The Council is aware that there are electricity grid capacity issues facing development in the southern part of South Cambridgeshire, which require investment from developers to facilitate grid reinforcement. It is important that Uttlesford District Council give consideration to whether energy infrastructure upgrades are required to support development in its district as part of infrastructure delivery planning, as the costs and timescales for grid reinforcement could have an impact on both development viability and delivery timescales.”; and

3. That subject to 1 and 2 above, the Council makes representations on the Uttlesford Local Plan Regulation 19 consultation consistent with the submitted report and particularly paragraphs 22 – 62.

This decision was first published on Thursday 2 August and so the deadline for call-in is 5pm on Thursday 9 August. If not called-in this decision can be implemented on Friday 10 August.

PLEASE SEE DEPUTY LEADER OF COUNCIL DECISION BELOW

14. Response to consultation on Pre-Submission Draft Uttlesford Local Plan (Regulation 19)

The Deputy Leader agreed that paragraph 55 of the response should be amended as below:

"55 Paragraph 152 of the NPPF in regard to plan making states that local planning authorities should seek opportunities to achieve each of the economic, social, and environmental dimensions of sustainable development and states that: 'Significant adverse impacts on any of these dimensions should be avoided and, wherever possible, alternative options which reduce or eliminate such impacts should be pursued'. However a number of significant harms regarding the NUGC have been identified in regard to transport and landscape. **In terms of landscape and visual impact, the proposed allocation would not be acceptable unless Uttlesford District Council can demonstrate convincingly (a) a means by which A a revised NUGC development within that allocation would reduce its avoid landscape and visual harm in views from South Cambridgeshire and (b) that this could be achieved consistent with the existing landscape character. To avoid unacceptable levels of harm, it is critical that built development is precluded on the north, west and eastern edges of the high plateau facing towards South Cambridgeshire /ridgelines on the site or and on the slopes facing towards the A11. This could be achieved by reducing the overall scale of the new settlement to that which could be so accommodated within the south-west and south-facing valleys of the site or by amending its southern boundary. The Council does not offer a preference for an alternative allocation boundary or an alternative developable area; the issue for South Cambridgeshire District Council is the impact of the current NUGC proposal on its area and demonstrating a means by which the NUGC development may be made acceptable is the responsibility of the plan making authority. However, possible means by which this could be achieved are by excluding from the allocation areas where built development would cause landscape and visual harm to South Cambridgeshire (as identified above), or by making clear in the Local Plan the areas where built development may not occur within the existing allocation boundary. This latter option may be appropriate if, for example, the excluded areas are required for strategic landscaping; however any form of strategic (or other) landscaping which may be proposed to address impact must be demonstrated at this stage to be capable of being delivered in a form which is consistent with existing landscape character and is otherwise acceptable.**

If addressing landscape and visual harm results in a reduced number of homes, the option to extend the southern boundary of the allocation could be considered. The examination of the Regulation 19 Local Plan will need to establish that there are no reasonable alternative options to accommodate development which would eliminate the harms identified to the three dimensions of sustainable development or that the level of harm can be satisfactorily mitigated."

This decision was first published on Friday 3 August and so the deadline for call-in is Friday 10 August at 5pm. If not called-in this decision can be implemented on Monday 13 August.

Agenda Item 3

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

Construction work on the new A14 Cambridge to Huntingdon scheme is underway. We are currently carrying out a variety of tasks for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Monday 6 to Friday 10 August (five nights)

- A1 northbound between Buckden to Brampton Hut
A signed diversion will be in place; Vehicles will travel east on the A428, north on the A1198 and west on the A14 to re-join the A1
- A428 eastbound Madingley to A14 eastbound junction 33

Motorway traffic will travel south on the M11, east on A505 and north on A11 to re-join the A14. Non motorway traffic will be diverted on local roads through Cambridge.

- M11 junction 14 exit slip
- A14 westbound between junctions 36 and 31

A signed diversion will be in place. Motorway traffic will travel south on the A11, west on the A505 and then north on the M11. Non motorway traffic will be diverted on local roads through Cambridge

Friday 10 9pm to Monday 13 6am

- Brampton Road, Buckden Road, A1 northbound & southbound
Brampton exit and entry slips

Vehicles wishing to access Brampton village will be required to exit the A1 at Brampton Hut, leave the A14 at junction 22 and enter Brampton via the B1514. To exit the village the diversion will be the reverse.

Saturday 11 (one night)

- A14 westbound between junctions 28 and 27
Strategic traffic will be diverted west on the A428, north on the A1198 to re-join the A14 at junction 24

Access for local traffic will be maintained between the hard closure and the strategic diversion

- A14 eastbound between junctions 27 and 28
Strategic traffic will be diverted south on the A1198, then east on the A428 to re-join the A14.

Access for local traffic will be maintained between the hard closure and the strategic diversion

Sunday 12 (one night)

- A14 westbound between junctions 29 and 28
Strategic traffic will be diverted west on the A428, north on the A1198 to re-join the A14 at junction 24

Access for local traffic will be maintained between the hard closure and the strategic diversion
