GENERAL INFORMATION

6. Media Monitoring

Arising from the results of the Member Communication Needs Survey, many members highlighted the fact that residents found out about SCDC matters through the media.

The Council's Communications Team will produce a weekly summary of recent news items to be published in the Bulletin to help keep members informed of recent coverage of SCDC.

Contact the [Communications Team](#) for further information.

BBC analysis shows there are 39 different sets of rules for what can be put in plastic recycling collections across the country.

Friday 21 September: *BBC Online*: [Merged Northamptonshire councils put vulnerable 'at risk'](#)

Vulnerable people could be at risk if Northamptonshire's eight councils are replaced with two, its police and crime commissioner Stephen Mold has warned.

Tuesday 25 September: *Times*: [Tougher taxi laws backed after sex scandals](#)

The Government should introduce tougher taxi laws, which would ban drivers from operating in areas where they are not licenced, a new government report has said.

Tuesday 25 September: *Telegraph*: [Council to collect bins once a month](#)

Conwy Council has announced it will move to monthly waste collections following a year-long trial, in a move that could save up to £390,000 a year.

8. View Planning Applications

To view the list of planning applications that have recently been submitted to the Council, please visit the authority's on-line [Planning Application Search](#). Once the page has loaded, you can use the [Search option](#) to set your own criteria of parish, area and date range.

The system will provide a range of information on current and decided applications since 1948, including a brief description of the development, reference number, decision and the date of decision. More recent applications show the name and telephone number of the council officer who is dealing with the application.

Search results are presented in a collection of pages, the number of which depends on the number of results your search produces. There are navigation tools to allow you to browse your results.
