7. Local Policing Review - Statement from Inspector Paul Rogerson

As many of you will know in April 2018 Cambridgeshire Constabulary underwent a wholesale reorganisation, referred to as the "Local Policing review" or LPR. The community teams which previously covered Huntingdonshire, South Cambs, East Cambs and Cambridge City merged but continue to have local presence and focus led by a local Sergeant. These Geographical officers are supported by a larger enforcement team called "CAT", the Community Action Team.

The LPR has caused the Constabulary to review many of its processes, including how we engage with communities. Our previous commitment in South Cambs (providing seven quarterly panel meetings) is no longer something the Constabulary can maintain. For this reason we have explored new ways to ensure we understand communities and residents can have their say on local police issues.

Moving ahead the local teams, led in South Cambs by Sgts Jon Capes and Emma Hilson will undertake a new approach.

- Closer working relationships with Parish representatives, District and County Councillors. This began in October with a full Council briefing to elected District representatives. Work will continue with a Parish workshop in March 2019. A key part of this is that we need Parishes to take a lead, and ensure matters of serious concern are fed back to Police (directly to your local Sgt).
- Online surveys commissioned on a quarterly basis (this includes a general and "youth specific" survey). Surveys will help local police teams gather views from a much larger audience including our minority and vulnerable communities. We recognise that some communities, the elderly for example, do not have direct access to online facilities. To ensure we are capturing the views of all our residents we will run separate more traditional forms of targeted engagement work to complement the online survey.
- In partnership with Parish, District and County elected members, community meetings

can be called where and when they are needed to discuss specific issues with the local police team. A recent good example of this is in Willingham where police teams met with residents to address serious concerns about crime levels.

- Where areas of serious concern are identified Police will, in partnership with other agencies, commission a public action plan, an example of which can be found here.
- Your local team will commit to holding regular police surgeries three times a month.

We believe this revised approach will help create stronger relationships with South Cambs residents. I do appreciate we are asking more of our elected members. However, I believe you are the right people to speak for your communities. If you have any questions please do not hesitate to get in contact.

Inspector Paul Rogerson

UPCOMING DISTRICT COUNCILLOR TRAINING

Unless otherwise specified, please confirm your availability to attend any of the following briefing or training events by contacting [Patrick Adams](#) on 01954 713408. This will ensure your training records are kept up to date and suitable venue and catering booking can be made. Your cooperation is greatly appreciated.

8. LGA Health & Wellbeing Workshop Thu 31 Jan - All Day

Date: Thursday 31 January
Time: 9:15am to 3:30pm
Venue: Council Chamber
Event: LGA Health & Wellbeing Workshop

9. Local Transport Plan on Thu 21 Feb at 10am

District Councillors are invited to attend a briefing on the development of the Local Transport Plan to be held on Thursday, 21 February 2019 commencing at 10.00am in the Council Chamber, South Cambridgeshire Hall.

The Cambridgeshire and Peterborough Combined Authority is now responsible for producing the Local Transport Plan (previously it was produced by the County Council). Officers from the Combined Authority, and a representative from the CPCA's transport consultants, Steer, will provide a briefing on the development of the Local Transport Plan, including timescales for public consultation and adoption.

GENERAL INFORMATION

10. Media Monitoring

Arising from the results of the Member Communication Needs Survey, many members highlighted the fact that residents found out about SCDC matters through the media.

The Council's Communications Team will produce a weekly summary of recent news items to be published in the Bulletin to help keep members informed of recent coverage of SCDC.

Contact the [Communications Team](#) for further information.

A14 Cambridge to Huntingdon improvement scheme

Development consent order amendment to make the A14 a motorway

We want the A14 upgrade to be the safest and best road it possibly can be and we now have an opportunity to make our road even better.

This £1.5bn improvement scheme includes a major new bypass to the south of Huntingdon and upgrades to 21 miles of the A14. Once complete, it will boost the local and national economy and cut up to 20 minutes off journeys.

The scheme's development consent order (DCO) is its planning permission. When we began designing the scheme we did not think it would be a motorway so we submitted a DCO asking to build a trunk road. As a result, the DCO does not allow us to change the road from A-road to motorway.

Now that modern motorway standards coincide with the scheme we're building, it makes sense for the road to become a motorway, to get the safest and best road possible. England's motorways are among the safest roads in the world.

We are therefore now asking the Planning Inspectorate for an amendment to our DCO to allow us to make it a motorway. We anticipate the Secretary of State for Transport will give us a decision this year. We are still on schedule to open to traffic by December 2020.

Implications of the new A14 becoming a motorway

Because the scheme's design meets the current standards for a modern motorway we're not changing what we're building. The route stays the same and the junctions don't change.

What would change

- Applying motorway regulations
- Slow moving vehicles prohibited from motorway
- Blue signs instead of green
- Variable mandatory speed limits to help manage traffic when appropriate

What would stay the same

- The design and engineering of the road
- Safety refuges already designed-in
- Local roads and junctions stay the same
- Old A14 route declassified to become a local road
- Improved pedestrian, cycle, equestrian provisions already designed-in
- Open to traffic by December 2020
- Total scheme cost

The benefits of reclassifying the new A14 as a motorway:

Safety

Motorways are twice as safe as A-road dual carriageways and six times safer than single-carriageway roads. Our motorways are amongst the world's safest roads.

Journey speed and reliability

We designed the road to provide mile-a-minute journeys. Removing slow moving traffic such as farm vehicles and mopeds will improve journey times and further improve safety.

We have built new roads and paths for local traffic, pedestrians, cyclists and horse-riders as part of the scheme.

Have your say

If you want to have your say about our proposal please contact the Planning Inspectorate. Our DCO amendment reference number is TR010018.

Agenda Item 3

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

Construction work on the new A14 Cambridge to Huntingdon scheme is underway. We are currently carrying out a variety of tasks for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Monday 28 to Wednesday 30 (three nights)

- A1 southbound between Alconbury and Buckden

Vehicles will be diverted south on the A14 link road, then east on the A14, south on the A1198 and west on the A428 to re-join the A1

Monday 28 January to Friday 1 February (five nights)

- A1 northbound between Buckden and Alconbury

Vehicles will travel east on the A428, north on the A1198, west on the A14 and then north on the A14 link road to re-join the A1

- A14 westbound between Bar Hill junction 29 and Swavesey junction 28

Vehicles will be diverted west on the A428 then north on the A1198 to re-join the A14 at Godmanchester

- A14 eastbound between Swavesey junction 28 and Bar Hill junction 29

Vehicles will be diverted south on the A1198 at junction 24, then east on the A428 to re-join the A14.

- A14 Girton junction 31 westbound to westbound loop

Thursday 31 January to Friday 1 February (two nights)

- A1 southbound between Brampton Hut and Buckden

Vehicles will be diverted east on the A14, south on the A1198 then west on the A428 to re-join the A1

Friday 1 9pm to Monday 4 5am

- A1 northbound Brampton village exit and entry slips
- A1 southbound Brampton village exit and entry slips

Brampton village will remain accessible via junction 22 of the A14

- Brampton Road

Saturday 2 6am to Monday 4 5am

- A1 northbound between Brampton Hut and Alconbury

Vehicles will be diverted east at Brampton Hut on the A14, then north on the A14 link to re-join the A1

Agenda Item 6

CAMBRIDGESHIRE AND PETERBOROUGH
AGAINST SCAMS PARTNERSHIP

Spot Scams Stop Scams

Just five simple steps...

...is all it takes for your parish or town council to increase the protection of local residents from the **financial** and **emotional harm** caused by scams.

Our Against Scams Partnership urges you to follow these **5 quick-win** steps which will **increase the resilience** of your residents against scams and fraud.

- 1. All councillors to become a 'Friend Against Scams'** by completing the 20 minute 'express' training at www.friendsagainstscams.org.uk/elearning/Cambridgeshire
- 2. Print and display scams awareness posters** on parish noticeboards and in key locations such as your village or town hall, schools, churches, pubs and post office.
- 3. Promote the easy online Friends Against Scams training across your community** by including the online learning link on your parish council website, community Facebook page and in your local newsletters.
- 4. Identify a local ScamChampion or Champions** to spread the word on how to spot a scam. This could include having a display of information, running their own Friends Against Scams training session, holding a drop-in advice session or anything else that you can think of.
- 5. Distribute scams awareness materials to the most vulnerable members of your community** and those who cannot access the internet. Perhaps your ScamChampion could hand deliver leaflets, hand out information at coffee mornings or give it to the organisers of local community groups and local churches to share with their members.

We told you it was simple! If you have any questions, would like to discuss any of the suggested steps above or suggest other ways you can support, please do not hesitate to contact us. We'd love to hear from you

Anyone completing the training is eligible for a free Friends Against Scams pin badge – contact charlotte.homent@cambridgeshire.gov.uk

Scams awareness materials are available from Charlotte Homent, contact details as above. NatWest Community Bankers offer a face-to-face Friends Against Scams training session. Contact bernadette.merry@natwest.com (Cambridgeshire) or mohammad.chauhan@natwest.com (Peterborough) to arrange or for more details.
