4. Items of Interest from the Local Government Association (LGA)

Items of Interest from the Local Government Association (LGA)

The Local Government Association provides a list of news headlines relevant to its members. Please click the headlines below for more details.

Thursday 25 March, Evening Standard: [New housing developments should be “loneliness proofed”](#)

New housing developments and public transport routes should be “loneliness proofed” and more public toilets introduced to help people reconnect as coronavirus restrictions ease, according to a report.

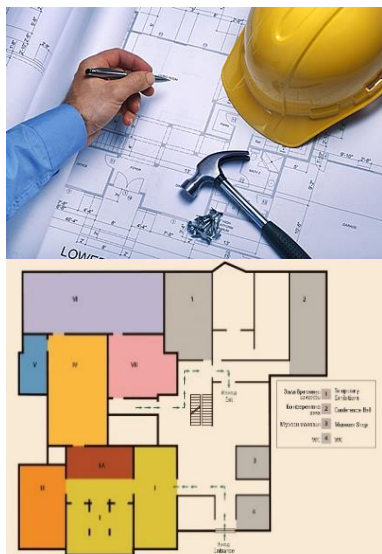

Saturday 27 March, BBC Online: [Virtual council meetings to end](#)

Virtual council meetings in England are to end in May after the Government said it was under too much pressure to fit in legislation to allow the temporary law to continue.

Sunday 28 March, Talk Radio: [Over half a million tonnes of recycling rejected at point of sorting](#)

More than half a million tonnes of household recycling collected was rejected at the point of sorting in 2019/20, because non-recyclable materials are being placed in recycling bins, the LGA says.

5. View Planning Applications

To view the list of planning applications that have recently been submitted to the Council, please visit the authority's on-line [Planning Application Search](#).

The system will provide a range of information on current and decided applications since 1948, including a brief description of the development, reference number, decision and the date of decision. More recent applications show the name and telephone number of the council officer who is dealing with the application.

Search results are presented in a collection of pages, the number of which depends on the number of results your search produces. There are navigation tools to allow you to browse your results.

Executive Decisions Taken Since Wednesday 24 March 2021

In accordance with the [Access to Information Procedure Rules in Part 4 of the Council's Constitution](#), any executive decision shall be published normally within five days of being made. That record will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless called in for review by the Chairman of the Scrutiny and Overview Committee or by any five other councillors.

A list of decisions currently within the call-in period is available [on the Council's website](#).

The call in procedure is set out in full in [Part 4 of the Council's Constitution, 'Scrutiny and Overview Committee Procedure Rules'](#).

6. Response to Government Consultation: Planning for the Future White Paper

The Lead Cabinet Member for Planning **Agreed** to the response set out in the Appendix.

This decision was agreed on Thursday 25 and so the deadline for call-in is 5pm on Thursday 1 April.

7. Community Chest Grants (March)

The Lead Cabinet Member for Finance **Agreed** the recommendations of the Grants Advisory Committee of 26 March.

This decision was first published on Tuesday 30 March and so the deadline for call-in is 5pm on Thursday 8 April. This is two days later than usual due to the Easter bank holidays.

8. Task and Finish Group Anti-Racism

Cabinet:

Approved the following recommendations:

- a) **Recommendation 1** – Key performance indicators relating to how the council responds to BAME employees at South Cambridgeshire District Council should be reported to the Employment and Staffing Committee on an ongoing basis.
- b) **Recommendation 2** – The Leader of the Council should assign the responsibility for equalities to the relevant Lead Cabinet Member.
- c) **Recommendation 3** – The Lead Cabinet Member with responsibility for equalities should investigate the establishment of an equalities advisory panel/group. It is suggested that this panel/group could follow the model of the Council's Brexit Advisory Group rather than requiring a formal committee to be set up. The Lead Cabinet Member should establish the most appropriate reporting route for the equality in employment report and whether this should be reported to the equalities advisory panel/group or the Employment and Staffing

Committee.

- d) **Recommendation 4** – The new equality advisory panel/group should track the outcomes of the equalities staff forum.
- e) **Recommendation 5** – The suitable Lead Cabinet Member should liaise with relevant officers on street naming in South Cambridgeshire.
- f) **Recommendation 6** – The Council should produce an equalities toolkit for businesses, to help broaden their understanding of race inequality in the workplace and enable them to undertake Race Equality Impact Assessment on their employment practices. This is in line with work that has already been undertaken by Cambridge City Council. It is suggested that this toolkit should be developed by the Business Support Team. The group acknowledges that there may not currently be capacity for the team to undertake this work due to demands supporting businesses during the Covid-19 pandemic, so this work should be undertaken when capacity allows.
- g) **Recommendation 7** – Provision of training on Gypsy, Roma and Traveller cultural awareness for all councillors and officers. As well as requiring all councillors to attend a briefing on equality and diversity, Cambridge City Council provided training on Gypsy, Roma and Traveller cultural awareness which was found to be beneficial. The task and finish group suggests the same training is provided for South Cambridgeshire district councillors and officers and that all should be required to attend.
- h) **Recommendation 8** – The Council should seek to collaborate with Cambridge City Council in its engagement with BAME community groups. Cambridge City Council has taken steps to enhance dialogue with BAME community groups, the Council and other public sector organisations. As there is overlap between City and South Cambridgeshire community groups, it is suggested that this Council seeks to collaborate with and support the work already being done by Cambridge City Council to avoid duplication.
- i) **Recommendation 9** – The Council should build links with local BAME community groups. The Council should seek to understand the concerns of BAME community groups and ensure that there is a way for them to engage with the Council on issues of importance and concern to them. This relationship should be monitored and maintained through the new equality advisory panel/group.

This decision was published on Wednesday 24 March and so the deadline for call-in is 5pm Wednesday 31 March.

9. Task and Finish Group Covid

Cabinet:

Approved the following recommendations:

- a) **Recommendation 1** – The Council should ensure adequate resource is allocated for community recovery and to support parishes with further development of their community response/emergency plans, so they are as well-equipped as possible for any future crises.
- b) **Recommendation 2** – The Council should host appreciation events to celebrate the success of the community response and to acknowledge the work of community groups and volunteers during the Covid-19 pandemic.

This decision was published on Wednesday 24 March and so the deadline for call-in is 5pm Wednesday 31 March.

10. Waterbeach New Town Naming

Cabinet:

Agreed the engagement process that the two master developers will follow to gather feedback and opinion on the name of the new town north of Waterbeach, with a paper coming back to Cabinet in order to take the final decision on the name of the new town.

This decision was published on Wednesday 24 March and so the deadline for call-in is 5pm on Wednesday 31 March.

11. Home-Link Allocations Policy

Cabinet:

Reviewed and **noted** the outcome of the allocations review, including the consultation feedback and **agreed** the subsequent revisions to the Lettings Policy.

This decision was published on Wednesday 24 March and so the deadline for call-in is 5pm on Wednesday 31 March.

12. Provision of 12 affordable homes at Boxworth End, Swavesey

Cabinet:

Agreed the options as detailed in the exempt report

This decision was originally published on 24 March and so the deadline for call-in is 5pm on Wednesday 31 March.

Agenda Item 2

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 9pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Saturday 3 April 8am to 5pm

- B1514 Brampton Road between station car park and Edison Bell Way
Vehicles on the Huntingdon town centre side will be diverted onto the ring road, St Peters Road to A141 west to Brampton / Brampton Racecourse junction and into Brampton via B1514. Vehicles on the Brampton side of the closure will follow this diversion in reverse.
