Information for District Councillors and Parish Councils

2. S211 Tree Work Notices in the Conservation Area

From Monday 4th October 2021, the weekly Councillor list of all applications/notices within their ward will include an additional note for Councillors which says,
"Councillors are welcome to object to S211 tree work notices in a conservation area by emailing the reason for doing so to planning.trees@scambs.gov.uk. For clarity these are tree work cases with the suffix /TTCA. In the event of a Councillor objection the trees specified within the notice will be issued with a Tree Preservation Order (TPO) and the case resolved through the TPO process, as this provides us with additional time to do so."

This is to ensure Councillors are being clearly advised of S211 tree work notices within their wards and know the route to object to them. These S211 Conservation area tree work notices have a very short expiration period, (42 days from submission), before the applicant can simply proceed and undertake the proposed works.

Sometimes it is not possible to satisfactorily resolved all issues within this limited time frame. With this in mind, if a Councillor objects to a S211 notice it will result in an 'objection' to the notice and a provisional Tree Preservation Order (TPO) will be served. This gives more time to consider the issues and objections or collect more information. The case will then be resolved

through the TPO creation process. Councillors should note that not all provisional TPO are subsequently confirmed.

Any general queries about trees should also be emailed to planning.trees@scambs.gov.uk where they will be picked up and answered by a member of the Natural Environment Team.

3. **UPDATE: M11 Junctions 8 to 10 Bridge Repairs**

Please find below an update for the Highways Agency on the working being carried out between Junction 8 to 10 of the M11:

“Due to some unforeseen issues on site, all of the planned closures relating to the M11 works, including the 24/7 lane closures, are now being rescheduled. We will update you accordingly once this work has been re-programmed.

“We have some planned closures for this week which we need to implement, details of these can be found below:

- M11 junction 8 to 10 northbound full closure on Wednesday 29 September between 10pm and 5am.
Northbound traffic will be diverted off the M11 at junction 8 onto the A120, A10 and the A505 and re-join the M11 at junction 10.
- M11 junction 8 to 10 northbound hard shoulder closure 24/7 from 29 September to 14 October.
- M11 junction 8 to 10 northbound lane 1 closure - 8pm to 6am from 4 October to 14 October.

“We would like apologise for any inconvenience this may cause. We will write to you again shortly once we have a new programme of works.

COVID-19

“Please be assured all our sites have strict safeguarding measures to prevent the spread of COVID-19 and none of our sites are open to the public. We will be carrying out all works following safety guidelines set by the Government.

How to find out more
