A DPI is where a committee member or his/her spouse or partner has any kind of beneficial interest in the land under consideration at the meeting.

#### 2. **Non-disclosable pecuniary interests**

These are interests that are pecuniary involving a personal financial benefit or detriment but do not come within the definition of a DPI. An example would be where a member of their family/close friend (who is not their spouse or partner) has such an interest.

#### 3. **Non-pecuniary interests**

Where the interest is not one which involves any personal financial benefit or detriment to the Councillor but arises out of a close connection with someone or some body /association. An example would be membership of a sports committee/ membership of another council which is involved in the matter under consideration.

### **Exclusion of Press and Public**

The law allows Councils to consider a limited range of issues in private session without members of the Press and public being present. Typically, such issues relate to personal details, financial and business affairs, legal privilege and so on. In every case, the public interest in excluding the Press and Public from the meeting room must outweigh the public interest in having the information disclosed to them. The following statement will be proposed, seconded and voted upon.

"I propose that the Press and public be excluded from the meeting during the consideration of the following item number(s) ..... in accordance with Section 100(A) (4) of the Local Government Act 1972 on the grounds that, if present, there would be disclosure to them of exempt information as defined in paragraph(s) ..... of Part 1 of Schedule 12A of the Act."

If exempt (confidential) information has been provided as part of the agenda, the Press and public will not be able to view it. There will be an explanation on the website however as to why the information is exempt.

### **Notes**

- (1) Some development control matters in this Agenda where the periods of consultation and representation may not have quite expired are reported to Committee to save time in the decision making process. Decisions on these applications will only be made at the end of the consultation periods after taking into account all material representations made within the full consultation period. The final decisions may be delegated to the Corporate Manager (Planning and Sustainable Communities).
- (2) The Council considers every planning application on its merits and in the context of national, regional and local planning policy. As part of the Council's customer service standards, Councillors and officers aim to put customers first, deliver outstanding service and provide easy access to services and information. At all times, we will treat customers with respect and will be polite, patient and honest. The Council is also committed to treat everyone fairly and justly, and to promote equality. This applies to all residents and customers, planning applicants and those people against whom the Council is taking, or proposing to take, planning enforcement action. More details can be found on the Council's website under 'Council and Democracy'.

### **Declarations of interest**

#### **Disclosable pecuniary interests**

A "disclosable pecuniary interest" is an interest of you or your partner (which means spouse or civil partner, a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners) which falls within the categories in [Table 1 of the code of conduct, which is set out in Part 5 of the Constitution](#). Where a committee member or their partner has any kind of beneficial interest in the land under consideration at the meeting, this would be a disclosable pecuniary interest.

Where a matter arises at a meeting which directly relates to one of your disclosable pecuniary interests you must:

- disclose the interest;
- not participate in any discussion or vote on the matter; and
- must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

It is a criminal offence to:

- fail to notify the monitoring officer of any disclosable pecuniary interest within 28 days of election
- fail to disclose a disclosable pecuniary interest at a meeting if it is not on the register
- fail to notify the Monitoring Officer within 28 days of a disclosable pecuniary interest that is not on the register that you have disclosed to a meeting
- participate in any discussion or vote on a matter in which you have a disclosable pecuniary interest
- knowingly or recklessly provide information that is false or misleading in notifying the Monitoring Officer of a disclosable pecuniary interest or in disclosing such interest to a meeting.

#### **Other registerable interests**

These are categories of interest which apply to the Councillor only (not to their partner) and which should be registered. Categories are listed in [Table 2 of the code of conduct, which is set out in Part 5 of the Constitution](#). Where a matter arises at a meeting which directly relates to the financial interest or wellbeing of one of your Other Registerable Interests, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter; and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

### **Disclosure of non-registerable interests**

Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Where a matter arises at a meeting which affects – a. your own financial interest or well-being; b. a financial interest or well-being of a relative or close associate; or c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in Table 2 you must disclose the interest.

In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied. Where a matter (referred to in the paragraph above) affects the financial interest or well-being: a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and; b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest, you may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

[Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]
