Updates to significant cases

5. (a) **Stapleford:**
Breach of Enforcement Notice on Land adjacent to Hill Trees, Babraham Road. Following continuing breaches of planning at this location an Injunction was approved by the High Court 17th November 2015, The compliance period to remove unauthorised vehicles and to cease unauthorised development represented by the commercial storage, car sales and non-consented operational works that have occurred there was by January 26th 2016. An inspection of the land on the 26th January 2016 revealed that the unauthorised motor vehicles, trailers, caravans etc. had along with the unauthorised track been removed from the land as required by the Injunction. The displaced vehicles have now been moved onto land at Little Abington owned by the occupier of Hill Trees and onto land adjacent to Hill Trees that belongs to Gonville and Caius College, Cambridge. Both parcels of land are the subject of extant enforcement notices. Currently advice has been sought through Counsel on the most effect route in dealing with this displacement and on balance it is felt that a High Court injunction, particularly given the recent successful outcome at Hill Trees and related planning history, including various unsuccessful challenges, is made to remedy the identified breaches. Case file currently in preparation.

File prepared and instruction given to apply for a High Court Injunction.

Preparation work including further detailed inspections of the lands in question, personal service etc. is currently being carried out along with a witness statement to facilitate the High Court Injunction application.
