		Failure to meet Housing needs identified in Local Plan, including affordable housing, and potential consequential impact on local economic growth. A lack of five-year supply of housing, leading to continuation of speculative planning applications for housing that is inconsistent with normal planning policies, resulting in; - impacts on local communities, - increase in planning appeals, - lack of confidence in the planning system and in the Council in being able to plan for the district. Risk to City Deal achieving agreed target of 1,000 additional homes on rural exception sites, as no dwellings can be counted on qualifying sites towards this City Deal target until the Council is in credit against its Local Plan target. Lack of efficient planning process to deliver strategic sites to anticipated housing trajectory timescales, along with necessary supporting infrastructure, which is key to overall housing delivery and demonstrating a 5-year housing land supply. Potential adverse impact on quality of schemes and customer confidence.

I = 4 L = 2 8 (8)	The Policy Development Officer (PDO) role includes responsibilities for ensuring continuing compliance with our statutory Public Sector Equality Duty, delivery of the Equality Scheme 2015-2020 and a review of corporate consultation and engagement to ensure consistency and quality across all service areas. The Policy Development Officer left her post on 4 August 2017 and has not been filled, thus delaying the completion of specific projects. The Policy and Performance Manager has lead responsibility for equality and diversity until the vacancy is filled, although he has limited capacity given other priorities. He has submitted a briefing note identifying specific projects which will be delayed or paused as a consequence, including reviews of the Council's Community Engagement Strategy and Equality Scheme. CMT considered a report setting out Equalities Issues at its meeting in November 2017, following which a Leadership Development Action Learning Group has begun a project to review the Council's activities in this area and make recommendations for a new Equality Scheme. STR 16	Delivery of Devolution by Combined Authority - Cllr Peter Topping (was STR31) Head of Service: Alex Colyer Risk Owner: Susan Gardner Craig Last Updated: 18 Jan 2018	Cause (September 2016) Change in local and national economic outlook and/or political priorities, ineffective governance and delivery structures and/or a lack of skills and capacity to deliver them, Consequence leading to: Real and perceived 'democratic deficit', lack of proper accountability, the diversion of human and financial resources away from SCDC strategic priorities and failure to deliver key service commitments within the Deal, resulting in inability of SCDC to deliver its Corporate Plan, financially unviable services, reputational damage for SCDC, wider loss of credibility for the Combined Authority and all partners within it, reducing the prospect of successful future devolution deals with government.		The risk is that the parties involved in setting up the combined authority don't move quickly enough or coherently enough, however, by this time the progress is as follows: -Appointed Interim officers for the 3 key positions, adverts for permanent recruitment to go out during Autumn 2017; -Advert for Combined Authority Chief Executive published and new Chief Executive appointed and in post; -Agreed a draft staffing structure, reviewed by Scrutiny and confirmed; -A number of work streams are put together to work on objectives; -A Work Plan is set up which captures all the details.
