Executive Summary

1. This full application seeks permission for the temporary siting of a modular show home for a period of up to twelve months.
2. The site is located within the Development Framework of Cambourne and the principle of the proposed development is acceptable. The visual impact of the modular show home is considered not to have a detrimental impact upon the character of the area or have a wider visual impact upon the setting of the Business Park.

Planning History

3. S/0320/15/FL – The provision of new solar photovoltaic (PV) canopy system, amendments to car park layout to accommodate the system and 10 additional parking spaces. Upgrade to existing cycle facilities and provision of roof mounted

solar photovoltaic (PV) systems to existing cycle and refuse ancillary buildings – Refused

4. S/0951/08/F – Reconstruction of existing and construction of additional staff parking and associated landscape works – Approved
5. S/6147/12/RM – Council Offices, associated works and civic square - Approved
6. S/6136/01/O – Erection of three storey building for offices (B1 Use) or Council Offices for South Cambridgeshire District Council (Sui Generis Use) – Approved

Consultations

11. **Cambourne Parish Council** – object to the proposed development as it is not Part M compliant of building regulations and therefore does not have wheelchair access. The Parish do however, support the initiative and would have supported the application if it was accessible and complied to part M of the building regulations.
12. **Sustainable Drainage Engineer Officer** – has no objection.

Representations

13. None received

Site and Surroundings

14. The site is located within land owned by U+I, the company that manages Cambourne Business Park. The site is located in the westernmost plot of Cambourne Business Park. South Cambridgeshire Hall is sited to the northwest of the proposed development, which primarily accommodates District and County Council staff. The parcels of land to the north and south were identified as employment land under the original Cambourne masterplan; however they are yet to be developed.

15. The site is situated within Cambourne Village Framework, is not located within a Conservation Area, and has no protected trees within the site.

Proposal

16. This planning application seeks consent for a temporary modular show home to be erected to the south west of South Cambridgeshire District Hall for a period of up to twelve months. The modular home is intended to be a show case for the initiative being run by South Cambridgeshire District Council, which looks at how to promote more affordable forms of private housing on some of the sites it owns across the district.
17. The show home would be constructed from weatherproof membrane and with a timber frame finished in white external render. The intention is to relocate the modular home to land owned by the Council in one of the villages once the 12 month period ends. This will be the subject of a separate planning application.

Planning Assessment

18. The key issues to consider in the determination of this application are the principle of development and whether there would be any detrimental impact to the visual appearance of the area that would impact negatively upon the character and setting of the Business Park.

Principle Development

19. The principle of a temporary modular show home is considered an acceptable use for land within the village framework and as part of the Council's Offices subject to the other material planning considerations discussed below.

Design and Visual Impact

20. The proposal involves a single storey modular home measuring 9.00m wide, 9.33m in depth and 3.13m high. The overall scale of the development would therefore not be significantly obtrusive, appear dominant or be detrimental upon the setting and character of the business park. Due to the modular home being used as a show home, and being of a contemporary style, design and material it would be in keeping with development located in the Business Park.
21. For the above reasons the proposal is considered in accordance with Policies DP/1, DP/2 and DP/3 of the Local Development Framework, Policy HQ/1 of the Proposed Submission South Cambridgeshire Local Plan and the guidance contained within the District Design Guide.

Parking

22. The development would be accessed via the existing business park access road. The modular home would be accessed by appointment only during South Cambridgeshire District Council's office hours. It is therefore considered the car parking available at South Cambridgeshire District Council is sufficient. No car parking spaces will be lost.

Other Matters

23. Cambourne Parish Council's comments have been acknowledged by the applicant in an email dated 5 April 2018, whereby it has been confirmed that wheelchair access

will be provided to ensure the development is in accordance with Building Regulations 2010, Access to and use of buildings, Volume 1 Dwellings, M.

Conclusion

24. Having regard to applicable national and local planning policies and having taken all relevant material considerations into account, planning permission should be granted in this instance

Recommendation

25. Approval subject to:

Conditions and Informatives

Planning conditions and informatives as set out below, with the final wording of any amendments to these to be agreed in consultation with the Chair and Vice Chair prior to the issuing of planning permission:

Conditions

- 1) The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
(Reason - To ensure that consideration of any future application for development in the area will not be prejudiced by permissions for development, which have not been acted upon.)
- 2). The development hereby permitted shall be carried out in accordance with the following approved plans:
Location Plan and Block Plan dated: 30.1.208
Proposed Elevation drawing no. T01
(Reason - To facilitate any future application to the Local Planning Authority under Section 73 of the Town and Country Planning Act 1990.)
- 3). The use of the building, hereby permitted, shall cease within one year from the date of this permission and the building shall be removed from the land and the land returned to its former condition within a period of one month from the date the use has ceased.
(Reason – The long-term retention of the building would be contrary to Policies DP/2 and DP/3 of the adopted Local Development Framework 2007
