Within South Cambridgeshire District only Parish Councils can apply for Neighbourhood Area designation. These will be the 'qualifying body' in this District – a term used in the regulations for Neighbourhood Planning. As the Local Planning Authority, South Cambridgeshire District Council (the Council) may need to undertake various periods of statutory consultation on your proposals.

8 Proposed Neighbourhood Area  
The parish boundary might provide a good basis for a Neighbourhood Area but this is not obligatory. You must state why you consider the boundary you have proposed appropriate for designation. Without this information, your application cannot be processed.

Also, you must provide an Ordnance Survey Map showing clearly the boundary of the proposed Neighbourhood Area. Your application cannot be processed without a map. If you need help to prepare a map please contact [Neighbourhood.Planning@scambs.gov.uk](mailto:Neighbourhood.Planning@scambs.gov.uk) or call 01954 713182

9 Local publicity about your proposal to prepare a Neighbourhood Plan  
Please tell us what you have done so far to let your local community (e.g. residents, landowners, businesses) know you are considering preparing a Neighbourhood Plan for the proposed neighbourhood area. For example have you run public events, placed articles in the local press, made efforts to reach isolated residents?

A Sawston neighbourhood plan working group was set up in February 2017 and includes village residents and parish council representatives. All meetings have been publicised on The Parish Council website and noticeboards, Articles have appeared in the village magazine, and stands held at three village fetes during summer 2017.

10 Declaration

I/we hereby declare that this parish council is a constituted parish council and is the qualifying body to act in this context. Local contact information is enclosed and/or being sent electronically

#### Application for Neighbourhood Area designation

This is the first formal step in the development of a Neighbourhood Plan – a Neighbourhood Area must be designated before a Neighbourhood Plan can be developed. We recommend discussing your objectives with Council officers prior to completing this form, to ascertain whether this is the most appropriate vehicle for you and what support is available to develop your Plan. Working with neighbouring parishes with

similar issues could reduce the workload and increase the pool of expertise and knowledge needed for the production of a Neighbourhood Plan.

Community engagement and consultation may need to take place before making an application to designate a Neighbourhood Area. Does the local community support the production of a Neighbourhood Plan? What are the issues as they see them? What Neighbourhood Area boundary options have they been given? Have they expressed a preference? Details of this community engagement should be detailed in Question 9.

**Qualifying Body (sometimes referred to as the 'relevant body')**

Applications must include a statement confirming that the parish council is the qualifying body.

**Your application is not complete without this information.**

**Areas with no parish council**

Parish meetings can either get involved with the Neighbourhood Planning in an adjoining parish or apply to the Council to be designated as a Neighbourhood Forum, which can prepare its own Plan. If you think this applies to you, please contact the Council for assistance.
