

SUMMARY

GREEN END SURVEY

S/1531/17/FL

PUT [X] IN BOX

The aim of this survey is to gauge the reaction of all Green End residents to the planning application to extend the Baptist Church and use Green End as additional parking.

How would you rate the current parking problems on Green End particularly at peak times?

GOOD ACCEPTABLE POOR AND SOMETIMES DANGEROUS (30)

How would you rate the impact of additional demand for parking on Green End when large events are held bearing in mind the increasing difficulties at the GP surgery?

NO IMPACT SOME IMPACT SIGNIFICANT IMPACT MAJOR DISRUPTION (11) (21)

Green End is a quiet residential area. This proposal will increase the number of large events being held on a commercial basis. Would you be happy with the increased levels of noise and disruption on Green End?

I THINK THAT THIS COULD BECOME A PROBLEM IT IS UNLIKELY TO HAVE ANY IMPACT (30)

Are you happy with the existing facility the Baptist Church provides or would you like it to expand as outlined in the planning application?

I AM HAPPY WITH THE CURRENT SITUATION AND WOULD NOT WANT THIS APPLICATION TO BE APPROVED BASED ON THE MATERIAL CONSIDERATIONS BELOW. (30)

I SEE NO IMPACT ON GREEN END AND AM HAPPY TO SUPPORT THE APPLICATION.

Material Considerations:

- There will be an increase in noise, smells or fumes generated by the proposal.
Ensuring there is adequate car parking, cycle, refuse and storage facilities.
New roads and access are safe for road users and pedestrians.

COMMENTS. Please note any specific issues / experiences you have in relation to this application (continue overleaf if required).
