Dear Jennifer,  
Thank you for keeping me informed.

Please find further material to be included at the hearing. Once again, these are objections to daytime/ working hours drinking. All parties are happy for weekend afternoons and evenings for Milton8 to be granted a license.

ENCLOSED;

- Letter Outlining Further Grounds for Objection
- Print of Googlemaps (Plan A) showing layout of estate and access route
- Objection by tenant [REDACTED], Milton Studios, 97 Cambridge Road
- Objection by tenant at Milton Studios, 97 Cambridge Road, CopperBoom studio
- Email from Milton8 Neighbour, [REDACTED] Stags and Does Crossfit explaining he was unaware that all day drinking was what he was asked to approve and is not happy with daytime drinking adjacent.
