

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

Construction work on the new A14 Cambridge to Huntingdon scheme is underway. We are currently carrying out a variety of tasks for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

No closures between Friday 21st December 2018 and Wednesday 2nd January 2019

Thursday 3rd to Saturday 6th January (three nights)

- A14 westbound between Bar Hill junction 29 and Swavesey junction 28

Vehicles will be diverted west on the A428 then north on the A1198 to re-join the A14 at Godmanchester

Local access will be maintained between the strategic diversion and the hard closure
