

Report To: Employment Committee

17 January 2019

Lead Officer: Head of People and Organisational Development

PAY POLICY STATEMENT

Purpose

1. This report appraises Members of the Employment Committee of the requirements of the Localism Act in relation to a pay policy statement.

Recommendations

- a) That the Employment Committee recommend the approval of the Pay Policy Statement for 2019 to Full Council

Reasons for Recommendations

2. In January 2018, the Council approved the Pay Policy Statement for the authority. This policy has been reviewed and updated with 2018/2019 pay and organisational structures and job titles.
3. This report sets out the requirements of the Localism Act 2011 sections 38 to 40, in relation to the development of a Pay Policy Statement for South Cambridgeshire District Council. It appraises Members of the definitions and principles, such as transparency and affordability.

Background

4. The 2011 Hutton Review of Fair Pay recommended a requirement to openly compare the policies on remuneration for chief officers, and details of how decisions are made about the salaries of the highest paid officers and how that relates to the lowest paid.
5. The Localism Act 2011 requires English local authorities to produce a statutory Pay Policy Statement for each financial year. The Pay Policy Statement must be approved by a resolution of Full Council and must include pay and other remuneration for chief officers and other employees, including the lowest paid.
6. The DCLG statutory guidance on the Localism Act refers to "Openness and accountability in local pay" and covers such matters as pay fairness in the public sector by increasing transparency over pay and tackling disparities between the lowest and the highest paid in public sector organisations.

7. Remuneration is defined widely, to include pay, charges, fees (such as returning officer fees), allowances, and benefits in kind, pension, termination payments, performance bonus and severance payments. The statement should also refer to the authority's approach to the re-employment of officers and, in particular senior officers who have returned to a local authority into a similar senior officer role.
8. The Council's strategy must be one of balancing between securing and retaining high-quality employees whilst maintaining pay equality and avoiding excessive pay rates. In developing the policy the authority must be satisfied that its policy is workable, affordable and reasonable and, that it will instil public confidence.
9. In November 2015 the Government indicated its intention to go ahead with proposals to introduce a cap on exit payments for employees in the public sector. This was included within the Enterprise Bill 2015. Regulations have been drafted and subjected to consultation during 2016. There has been further consultation on this during 2017 however there is still no indication of the timeline for final approval.
10. Relevant council employment and pension policies will be revised once the full details and implications are known in relation to the regulations concerning termination arrangements and exit payments.
11. The Equality Act 2010 (Gender Pay Gap Information) Regulations 2017 require larger private and public sector employers (250+ employees) to report annually the difference between the mean and median average hourly rate of pay for male and female employees, gender bonus gap and the number of men and women across salary quartiles. Both sets of regulations came into force on 31 March 2017, with the first reports falling due by 30 March 2018 in the public sector and by 4 April 2018 in the private sector. The report reflects this requirement.

Considerations

12. The Council has made provision in the medium term financial strategy (MTFS) for a 1% pay increase for 2018/2019 financial year. This is in addition to 1% to cover incremental rises. South Cambridgeshire District Council agrees annual pay awards through local negotiation with the recognised trade unions (GMB and Unison).
13. The Council, through negotiation with the trade unions, agreed the pay award for 2018/2019 at 1%. This is part of a two year deal with a 2% increase for 2019/2020.

Implications

Financial

14. Salaries referred to in the Pay Policy Statement are within current budgets.

Legal

15. The Localism Act 2011 requires the Council to have a Pay Policy Statement.

Staffing

16. Pay and benefits for Council employees remains a key element in terms of attracting and retaining talent and therefore delivering first class services. The Council's pay and reward strategy has been developed to ensure that employee pay is based on a fair and transparent evaluation process.

Equality and Diversity

17. The Council's pay grade structure and job evaluation method meets the requirements of the Equalities Act.

Consultations (including from the Youth Council)

18. Trade Unions were fully involved in the Job Evaluation project and, as such, were consulted throughout the process of achieving the Single Status Agreement and pay and grading structures. Employees were consulted and balloted on the Single Status Agreement, which details the Council's approach to pay and benefits.
19. The Council has negotiated with Trade Unions in relation to the annual pay award. Unions consulted with their members on the terms of the pay deal.
