Key Performance Indicator (KPI) report (Appendix A)

6. This report presents Operational Key Performance Indicator (OKPI) results that are aligned to high-level, business-as-usual activities that underpin the successful delivery of the Council's services.
7. The data in **Appendix A** shows actual performance against target and intervention levels and accompanying comments, as provided by performance indicator owners. The Council uses a 'traffic light' system to denote performance, whereby:
 - **Green** signifies performance targets which have been met or surpassed;
 - **Amber** denotes performance below target but above intervention level. It is the responsibility of service managers to monitor such performance closely, putting in place remedial actions to raise standards as required.
 - **Red** denotes performance below the intervention level. This represents underperformance of concern, and should prompt interventions and may involve the reallocation of resources or proposals to redesign how services are provided.

Business Plan Action Update Report

8. **Appendix B** provides updates in relation to the 2020-25 Business Plan actions and timescales.
9. Following request from a 'traffic light' system is now being applied to this element of the performance report whereby:
 - **Green** signifies delivered or expected to be delivered by target timescale;
 - **Amber** signifies delayed, but on track for revised delivery date
 - **Red** signifies not going to be delivered or delivery plan needed

Implications

There are no significant implications beyond those raised within the comments section of the Key Performance Indicator report at **Appendix A** and the Business Plan Update Report at **Appendix B**.
