Recommendations

3. It is recommended that Audit & Corporate Governance Committee note the Council has not used surveillance powers since the Committee last met or between the period March 2022 – June 2022.

Reasons for Recommendations

4. The committee are to receive quarterly updates on the Council's use of Regulation of Investigatory Powers Act 2000 (RIPA) powers and to review the RIPA policy on an annual basis and make amendments as necessary.

Details

5. RIPA regulates covert investigations by a number of bodies, including local authorities. It was introduced to ensure that individuals' rights are protected while also ensuring that law enforcement and security agencies have the powers they need to do their job effectively.
6. Following a Home Office Review into counter-terrorism and security powers the Protection of Freedoms Act 2012 was passed in May 2012 requiring all local

authority surveillance authorised under RIPA to be approved by a Magistrate from November 2012. The council's policy and procedures were amended at that time to reflect these changes.

7. The Council comprehensively reviewed and updated its policy in September 2012 and last reviewed the policy in March 2022.
8. The Investigatory Powers Commissioner's Office is responsible for the inspection of public authorities with regard to compliance with RIPA. The Council was the subject of a remote inspection on the 24th February 2021 and the report concluded that the information provided demonstrated a level of compliance that removes, for the present, the requirement for a physical inspection. The Inspector also commented that the policy was a well written document and easy to read.
9. There have been no changes to the legislation since the last revision of the policy in March 2022.

The council's use of RIPA since June 2020
