Pay Policy Statement

Executive Summary

1. The localism Act 2011 requires that the Council have a pay policy statement to increase accountability, transparency, and fairness in the setting on local pay and overall reward strategy.

Recommendations

2. The employment and staffing committee recommend that Council consider and approve the updated Pay Policy Statement as required by the Localism Act 2011.

Reasons for Recommendations

3. The pay policy statement, as drafted for South Cambridgeshire District Council, fulfils the requirement as defined in the Localism Act 2011.

Details

4. The Localism Act 2011 requires English local authorities to produce a statutory pay policy statement for each financial year. The pay policy statement must be approved by a resolution of Full Council and must include pay and other remuneration for chief officers and other employees, including the lowest paid.
5. The Act defines remuneration widely, to include pay, charges, fees, allowances, benefits in kind, pension and termination payments.
6. The Council's strategy must balance securing and retaining high quality employees whilst maintaining pay equality and avoiding excessive pay rates. The authority should be satisfied that its policy is workable, reasonable and affordable.
7. The previous pay policy statement in 2022 was approved and this has been updated with the latest salary scales and organisational job titles.
8. The report also includes the latest Gender Pay Gap figures, which are required to be published under the Equality Act 2010. This year's figures continue to buck the national trend and the gap here is in favour of females, due to our male dominated large operational workforce and female senior leadership.

9. Employment and Staffing Committee have considered the Pay Policy statement and recommend it to Council.
