Hello CRF team,

Just emailing to say how sorry I am that you haven't managed to get a licence for this year. I was looking forward to the festival, which is always great (brilliant music and a wonderful, friendly vibe) and Horseheath is the best venue that you've had, in my view, so it's doubly disappointing. I hope this doesn't cause you financial problems and wish you luck in getting everything organised for 2024.

All the best,

Gavin
