All	All	Corporate - all services	Transformation programme savings	(720)	(95)	The MTFS includes savings generated from the transformation program. These remain on track to be delivered, and the likely delay in the fair funding review has allowed these savings to be reprofiled for delivery by the end of the 2025/26 financial year. This allows extra time for the transformation to become embedded before budgets are reduced, further ensuring continuity of service for residents. However, this will not slow down the delivery of streamlined processes or the provision of increased self-serve options.	Amber

As a result of this, not all of the projected saving will now be realised in 2023/24.	Amber
