

Index of Adopted Policies

Local Plan 2004: Part 1 Core Strategy DPD 2007

The following schedule identifies all currently adopted policies as contained in Local Plan 2004 and the Core Strategy DPD. Where a Core Strategy policy supersedes a Local Plan policy, or where a Local Plan policy is no longer saved, this is identified. New policies in the Core Strategy that are not comparable with a policy in the Local Plan are identified separately.

New Policies in Core Strategy 2007

The following policies are included in the adopted Core Strategy, but have no equivalent in the Local Plan 2004.
