- the reduction in on site car parking provision;
- reduced potential for future expansion of public house business;
- need to cater for families and have a garden available for children;
- amenity of the occupiers of the proposed dwelling;
- effect on character of the village and Conservation Area; and

- the danger of setting a precedent in regard to the possible development of land to the east of the public house.

**138. S/1903/07/RM – HARSTON (LAND AT 18 HIGH STREET [ACCESSED FROM ORCHARD CLOSE])**

The Committee **APPROVED** the reserved matters of layout, scale, appearance and access for the reasons set out in the report from the Corporate Manager (Planning and Sustainable Communities), as amended by layout plan received 26 November 2007 and location plan received 5 December 2007 and to no new material objections being raised by outstanding consultees, and subject also to the conditions of the outline planning permission S/1740/04/O, the conditions referred to in the current report dated 5 December 2007, and to extra conditions including the requirement for bird and bat boxes, details of the maintenance of the wild flower area, and provision of a cover over the bin areas associated with the affordable dwellings.

The Committee gave officers, in consultation with the local Members for Impington, **DELEGATED POWERS TO REFUSE** the application, contrary to the recommendation in the report from the Corporate Manager (Planning and Sustainable Communities). Members agreed the reason for refusal as being the adverse impact on the amenity of the occupiers of nos. 6 and 7 St. George's Court by virtue of increased noise and disturbance from the use of the proposed access. Members also instructed officers to commission an independent highways assessment and, should that identify the proposed vehicular access as being dangerous, cite that as an additional reason for refusal.
