

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

REPORT TO: Council

31 January 2008

AUTHOR/S: Executive Director / Planning Policy Manager

FORMAL REQUEST FOR THE ESTABLISHMENT OF THE CAMBRIDGE FRINGES JOINT POLICY COMMITTEE

Purpose

1. To agree to request formally the Secretary of State to place an Order before Parliament to establish a Joint Planning Policy Committee for specified cross-boundary locations on the edge of Cambridge City.
2. This a key decision because:
 - It requires Council to cede those of its plan-making powers as are specified in the Order to the Joint Committee
 - It is likely to be significant in terms of its effects on communities living or working in an area of the District comprising two or more wards:
 - (i) Girton
 - (ii) Milton
 - (iii) Fen Ditton
 - (iv) Teversham.
 - It raises new issues of policy, or is made in the course of developing proposals to amend the policy framework, or is a decision taken under powers delegated by the Council to amend an aspect of the policy framework.
 - It is of such significance to a locality, the Council or the services which it provides that the decision-taker is of the opinion that it should be treated as a key decision.
3. It has not been published in the Forward Plan because the Secretary of State has only recently clarified that Council resolutions from each of the authorities which would have membership of the Joint Committee will be required at an earlier stage in the process than was previously anticipated.

Executive Summary

4. The Department of Communities and Local Government (DCLG) has proposed that the County Council, Cambridge City Council and South Cambridgeshire District Council set up a joint policy committee for the planning of growth in the Cambridge area. The Joint Committee would become the local planning authority for the plan-making matters to be specified in an Order made pursuant to Section 29 of the Planning & Compulsory Purchase Act 2004. A Joint Committee is seen as an integral part of the joint working arrangements for growth in the area as agreed by the three authorities and Cambridgeshire Horizons with DCLG in 2007. This report considers the next steps required to set up a joint policy committee for the future planning of Cambridge Fringe Areas where plan-making will be progressed jointly with Cambridge City Council and Cambridgeshire County Council. The Joint Committee would become the local planning authority for the plan-making matters specified in the Order.

Background

5. The Department of Communities and Local Government has previously indicated an expectation that the County Council, Cambridge City Council and South Cambridgeshire District Council will work towards the creation of a joint policy committee for the planning of growth on the edge of Cambridge. The Joint Committee is seen as an integral part of the joint working arrangements for growth in the area as agreed by the three authorities and Cambridgeshire Horizons with DCLG in 2007.
6. Future Government funding for the joint planning arrangements already in place is dependent on the establishment of this "Section 29" Committee, as is the rolling fund needed to enable early implementation of infrastructure.
7. Council agreed on 18 October 2007 to draft terms of reference for the joint plan making Committee as the basis of joint negotiation with DCLG. Working with the Portfolio Holder and his equivalents at the City and County Council, officers from the three authorities have drafted more detailed proposals, which have been the subject of initial discussions with GO-East and DCLG.
8. Government officials have now clarified their views on the process and timetable, which envisage the setting up of the Committee at the earliest opportunity.

Proposed Process for the Establishment of the Section 29 Committee

9. A draft Local Agreement between the three authorities is being taken formally for Council resolutions on the following dates:
 - Cambridge City Council 24th January 2008
 - South Cambridgeshire District Council 31st January 2008
 - Cambridgeshire County Council 19th February 2008
10. The Agreement will include a formal request to the Secretary of State to place an Order before Parliament to establish the Joint Section 29 Committee. It is important that the process for the agreement follows the timetable above in order to release essential delivery funding in the near future.
11. The Secretary of State will consult on the draft Order before consideration by Parliament. It is envisaged that the Committee could be established by the summer of 2008.

Content of the Agreement

12. The Joint Committee will be responsible for plan-making for specified major development sites around Cambridge:
 - (a) Cambridge East Area Action Plan;
 - (b) Cambridge North West Area Action Plan; and
 - (c) Cambridge Northern Fringe East Policy Area.
13. The North West Area Action Plan has progressed to the Preferred Options stage. There are significant policy issues remaining to be determined in the Cambridge Northern Fringe and considerable additional planning work needs to be undertaken for Cambridge East, which will provide around 12,000 homes.

14. The draft Local Agreement is **attached** and includes as appendices:

- (1) Terms of Reference;
- (2) The Designated Area; and
- (3) A first draft of the Order.

15. Key features of the agreement to note include:

Powers

- A. The Committee will have responsibility for development planning (including minerals and waste) of the local authorities within the designated area for the matters specified in the Order;
- B. The local authorities may jointly add or remove areas for joint planning by agreement as appropriate.

Membership

- C. The Committee to consist of nine members, three from each authority;
- D. Each member to be entitled to a vote;
- E. Named substitutes to be appointed by each authority;
- F. Chairmanship and vice-chairmanship to be shared by Cambridge City Council and South Cambridgeshire District Council (as the principal local planning authorities). The chairman will not have a casting vote;
- G. A quorum of 6 members, 2 from each authority;
- H. The Committee may invite other bodies to nominate co-opted members but they would not be entitled to vote.

Administration, Staffing and Costs

- I. Administration of the Committee to be alternated annually between Cambridge City Council and South Cambridgeshire District Council;
- J. Staff will be made available to discharge the functions of the Committee from within the existing resources of the three authorities (and by agreement from any bodies with co-opted membership);
- K. If additional consultancy assistance is required by the Committee it will be funded by Cambridgeshire Horizons;
- L. Joint working arrangements will be on the basis already successfully employed in cross boundary plan-making but will be kept under review;
- M. The planning policy managers of the City and District Councils will generally manage the work programme of the Joint Committee (or the County Council in the case of minerals and waste planning).

Termination of the Joint Committee

- N. The Committee may be terminated at the request of any of the three authorities with the agreement of the Secretary of State.

Considerations

16. The Council has been working by agreement with Cambridge City Council and in consultation with Cambridgeshire County Council to produce Joint Area Action Plans since 2004. Cambridge East Area Action Plan which has been prepared jointly with Cambridge City Council is recommended for adoption at this Council meeting and is proposed to be adopted by the City Council at its meeting on 21st February. The Council is currently working with Cambridge City Council on a Joint Area Action Plan for University land at North West Cambridge.
17. Involving the County Council in plan-making for which it only has powers for minerals and waste is seen by the Secretary of State as important to assisting with wider planning of the new developments which will result in improvements in the delivery of key services, facilities and infrastructure.
18. The plans that will be prepared by the Joint Committee will be required to be in conformity with the Core Strategies of the three Councils and relevant District-Wide policies will also apply. As with joint plans already prepared with Cambridge City Council, the presumption will be that urban standards for car parking etc will apply to ensure consistent and appropriate levels of provision with the rest of the urban area of Cambridge.

Options

19. South Cambridgeshire and Cambridge City Council could continue to produce joint plans by agreement. However, agreeing to the formation of a Joint Committee will make available to Cambridgeshire Horizons an additional £700,000 of growth area funds and a rolling fund for development related infrastructure within South Cambridgeshire and Cambridge City. The rolling fund will first be used to advance fund the second phase of the Addenbrookes Access Road (to cross the mainline railway and which is time critical in order to secure the rail possession).

Implications

20.	Financial	The Local Development Schemes of South Cambridgeshire and Cambridge City Councils already include provision for the plans which will become the responsibility of the Joint Committee and therefore additional costs are unlikely to be incurred.
	Legal	The Council would cede those of its plan-making powers to the Joint Committee as are specified in the Order.
	Staffing	The Local Development Schemes of South Cambridgeshire and Cambridge City Councils already include provision for the plans which will become the responsibility of the Joint Committee and therefore additional staff are unlikely to be required.
	Risk Management	The Joint Committee will be the sole decision-making body. An additional £700,000 of growth area funds and a rolling fund will be made available to Cambridgeshire Horizons for development within South Cambridgeshire and Cambridge City.
	Equal Opportunities	No additional implications.

Consultations

21. Consultation has taken place with the Department for Communities and Local Government, Cambridge City Council and Cambridgeshire County Council.

Effect on Annual Priorities and Corporate Objectives

22. Affordable Homes	40% of the dwellings that will be provided will be affordable.
Customer Service	The three Councils will provide the same high levels of customer service as they do for all their plan-making services.
Northstowe and other growth areas	Whilst only those growth areas specified in the Order will come within the purview of the Joint Committee, all growth areas within South Cambridgeshire could potentially benefit from the additional growth area funds and the rolling fund.
Quality, Accessible Services	No additional implications.
Village Life	Indirect benefits of additional government funding improving the services, facilities and infrastructure of the two Districts e.g. Addenbrookes Access Road.
Sustainability	The Joint Committee will oversee the preparation of Joint Plans which will have sustainable development as one of their primary objectives.
Partnership	The Joint Committee will formalise existing partnership working.

Conclusions/Summary

23. The Department of Communities and Local Government (CLG) has proposed that the County Council, Cambridge City Council and South Cambridgeshire District Council set up a joint policy committee for the planning of growth in the Cambridge area. The Joint Committee would become the local planning authority for the plan-making matters specified in the Order. A Joint Committee is seen as an integral part of the joint working arrangements for growth in the area as agreed by the three authorities and Cambridgeshire Horizons with CLG in 2007.
24. Establishing the Section 29 Committee will formalise existing partnership working. The plans that the Committee will oversee are already included within the forward plans of the two District Councils and establishing the Joint Committee should not add to costs but will secure additional government funding for implementation.

Recommendations

25. It is recommended that:
1. The Council enters a Local Agreement with Cambridgeshire County Council and Cambridge City Council to establish a Section 29 Committee for relevant fringe areas of Cambridge;
 2. In consequence of (1) above, the Council makes a formal request to the Secretary of State for Communities and Local Government to publish an Order for the establishment of a Joint Policy Committee for the Cambridge Fringes under Section 29 of the Planning & Compulsory Purchase Act 2004; and
 3. The Council notes that final proposals will be referred back to the Council when the Secretary of State consults upon the draft Order, although consideration will be

restricted by the terms of the Local Agreement to which the Council will be a signatory

Tenure of Office

15. 24. The role of administering the Section 29 Committee shall be alternated annually between Cambridge City Council and South Cambridgeshire District Council.
25. Meetings shall be called by the administering authority, providing at least 5 clear days' notice to members of the Section 29 Committee. Notice and agenda papers will at the same time be made publicly available by posting on the local authorities' and the Section 29 Committee's websites.
26. Meetings of the Section 29 Committee will be open to the public except to the extent that they are excluded under paragraph 27.
27. The public will be excluded from a meeting of the Section 29 Committee during an item of business whenever it is likely that confidential information as defined in Section 100A(3) of the Local Government Act 1972 would be disclosed to them. The public may be excluded from a meeting of the Section 29 Committee during an item of business whenever it is likely that exempt information as defined in Section 100I of and Schedule 12A to the Local Government Act 1972 would be disclosed to them if in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
28. The Section 29 Committee will keep its procedures under review and will introduce new rules and/or procedures when necessary.

Co-opted Membership of the Joint Committee

29. The Section 29 Committee may invite other local authorities and organisations to be Co-opted Members of the Section 29 Committee.
30. Each of these bodies shall be entitled to appoint one person as a Co-opted Member of the Section 29 Committee.
31. Co-opted Members shall have no right to vote on questions coming or arising before the Section 29 Committee.

Sub-Committees

33. 34. The Section 29 Committee may appoint sub-committees comprising members and Co-opted Members for the purpose of more detailed examination of particular issues.
35. The work and decisions of Sub-Committees shall be reported to the Section 29 Committee for information or approval as appropriate.

Staffing the work of the Section 29 Committee

36. The Section 29 Committee will be operated on the basis of informal sharing of the administrative burden between Cambridge City Council and South Cambridgeshire District Council – alternate clerking and venues with a nominated officer team to liaise and ensure continuity. References in this Agreement to the Secretary to the Section 29 Committee shall be construed as references to the local authority responsible for the administrative arrangements in relation to any particular meeting of the Section 29 Committee.
37. The local authorities and any bodies invited to nominate Co-opted Members to the Section 29 Committee will each allocate staff resources to undertake the Section 29 Committee's work programme, as defined in the Joint Local Development Scheme and to respond to consultation on any matters related to the work programme. The level of staff provision will be identified having regard to the work programme of the Section 29 Committee and will be reviewed on an annual basis by the local authorities to ensure an equitable provision from the local authorities.
38. Existing planning and other relevant policy staff of the local authorities will be made available, in accordance with this Agreement, as necessary to enable the Section 29 Committee to discharge its functions. The Section 29 Committee may make arrangements with any of the authorities for the services of any officer of that local authority to be placed at the disposal of the Section 29 Committee for such period as may be agreed between the Section 29 Committee and that local authority. Joint technical working will be by electronic exchange of working documents, telephone and e-mail contact, and regular meetings. These working arrangements have previously been employed successfully for the preparation and adoption of Joint Area Action Plans and other cross-boundary plan-making but will be kept under review.
39. The Planning Policy Managers of the 2 District Councils will manage the Section 29 Committee's work programme and co-ordinate the resources made available by the local authorities and those bodies invited to nominate Co-opted Members. In the case on minerals and waste planning his function will be undertaken by an appropriate officer from the County Council.
40. Consultants may be retained by the Section 29 Committee to assist with its work programme where adequate staff resource is not available from the local authorities or where specialist skills are required.
41. Staff, accommodation and administrative costs will be borne by the local authorities from within existing and future budgets except the costs of any necessary consultants which will be borne by Cambridgeshire Horizons or any successor local delivery vehicle. These costs will be reviewed each year by the Section 29 Committee and by the local authorities and the local delivery vehicle to ensure that adequate budget provision is made by the local authorities to meet the full cost of the Section 29 Committee's annual work programme.

Termination of the Local Agreement

42. In the event that any one of the local authorities requests the Secretary of State to revoke the order constituting the Section 29 Committee and the Secretary of State agrees to that request:

- The powers of the Section 29 Committee will revert to the local authorities.
- Any retained consultancy assistance will be terminated

The local authorities formally request the Secretary of State to place on Order before Parliament to establish a Section 29 Committee for the purposes and terms set out in this local agreement.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order, which comes into force on **day month year**, establishes a joint committee for planning cross-administrative boundary sites in Cambridge and South Cambridgeshire. The constituent authorities are Cambridgeshire County Council, Cambridge City Council and South Cambridgeshire District Council.

Article 3 of the Order constitutes the joint committee as the local planning authority for the areas where Cambridge City Council and South Cambridgeshire District Council agree that joint cross-administrative boundary Local Development Documents should be prepared. It and article 4 provide for the joint committee to exercise the functions of a local planning authority under Part 2 of the Planning and Compulsory Purchase Act 2004 with the exception of functions relating to minerals and waste development planning. Article 4(2) modifies section 15 of that Act so as to require the joint committee to submit their local development scheme to the Secretary of State not later than day month 2008, and to send a copy of it to the Regional Planning Board.

Articles 5 to 11 deal with membership and disqualification, tenure of office, sub-committees, meetings and proceedings, secondments and expenses.

The Schedule to the Order makes further provision as to meetings and proceedings of the joint committee and enables the joint committee to make standing orders for the regulation of their proceedings.

A full regulatory impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.
