

Neighbourhood Panels

We would like to find out your opinion on Neighbourhood Panels to help us shape them better in the future. Please help us by completing this short questionnaire.

1. Approximately how many Neighbourhood Panel meetings have you attended?
(Please circle)

1	2	3	4	5+
---	---	---	---	----

2. Please state how much you agree or disagree with the following statements. (Please tick)

	Strongly Disagree	Disagree	Agree	Strongly Agree
Neighbourhood panels give members of the public a chance to agree local policing priorities for the neighbourhood				
Neighbourhood panels enable you to play an active role in helping to make your neighbourhood safer				
Neighbourhood panels provide an opportunity to meet local police officers				
Neighbourhood panels provide an opportunity to meet local authority representatives				

3. Neighbourhood Panel meetings currently focus on setting priorities relating to crime and anti-social behaviour. Keeping policing as the main focus for the panel meeting, would you like any of the following topics to be covered as well?

Topic	✓
Community facilities	
Consultations (relevant to the local area) by the local authorities and police	
Crime reduction advice	
Dentists, GP surgeries and hospitals	
Health advice	
Illegal trading	
Information about how to access local services	
Licensing	

Topic	✓
Parking issues	
Traffic management	
Transport	
Waste and recycling	
Youth facilities	
Other (please specify)	

4. Would you welcome the opportunity to have 'hot topic' items on the agenda e.g. having presentations or discussions that those attending are interested in?

YES	NO
------------	-----------

5. Do you think that the name 'Neighbourhood Panel' describes what the meetings are about?

YES	NO
------------	-----------

If no, do you have any alternative suggestions? E.g. Neighbourhood Forum

6. What aspects of the neighbourhood Panels do you like?

7. What aspects would you like to change? Where possible please describe how these changes should be made.

Thank you for completing this questionnaire.
