

Whistleblowing concern form [on-line version]

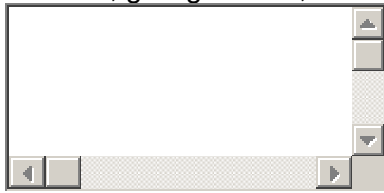

The Council is committed to openness, honesty and accountability and wants to be alerted to any problems as early as possible. The Council therefore encourages staff and Members who have serious concerns about any aspect of the Council's work, to express those concerns.

Please read the full [Whistleblowing policy](#).

* denotes mandatory field

*Background and history

Please set out, in as much detail as possible, the background and history of your concern, giving names, dates, places and other information where possible.

A large, empty text input field with a light gray border and a vertical scrollbar on the right side. The field is intended for providing background and history of the concern.

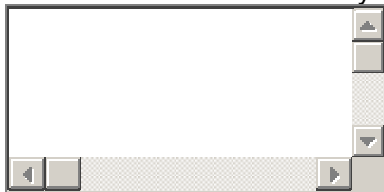

Reason for concern

Please express, in as much detail as you can, the reasons why you are particularly concerned about the situation.

A large, empty text input field with a light gray border and a vertical scrollbar on the right side. The field is intended for expressing the reasons for concern.

Name and contact details

The Council encourages people raising concerns to give their name - concerns expressed anonymously are much less powerful, we can give you direct feedback on the progress and outcome of any investigations, and we'll know whose identity to keep confidential, so, if you can give your details that would be really helpful. (If you wish to send the form anonymously, just leave this box blank.)

A large, empty text input field with a light gray border and a vertical scrollbar on the right side. The field is intended for providing name and contact details.
