

## **SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL**

---

**REPORT TO:** Resources Portfolio Holder  
**AUTHOR/S:** Revenues Manager

---

6<sup>th</sup> October 2009

### **Boundaries of Rural Settlements for the Purposes of Rural Rate Relief 2010/11**

#### **Purpose**

1. To review and determine the boundaries of Rural Settlements for the administration of Rural Rate Relief ('Village Shop' Relief) in accordance with section 42B of the Local Government and Rating Act 1997.
2. This is not a key decision but it is a legal requirement that boundaries are set before 31<sup>st</sup> December each year.

#### **Background**

3. The Council is required to determine annually the rural settlements within its area where the population of the settlement is less than 3,000, and to publish a list of settlements indicating their boundaries before 31<sup>st</sup> December each year.
4. Qualifying properties situated within such a designated rural settlement are eligible for relief from payment of the National Non-Domestic Rates.

#### **Considerations**

5. To be eligible for rate relief a business must be located in a qualifying rural settlement, which has a population of no more than 3,000 and falls wholly or partly in a rural area designated for the purposes of the rate relief scheme by the Secretary of State. It is the responsibility of the local authority to determine which settlements in its area meet this criterion, to identify their boundaries and place them on the authority's Rural Settlements List.
6. The current Rural Settlements List has been reviewed to take account of the latest population statistics published by Cambridgeshire County Council.

#### **Implications**

7.	Financial	The current Rural Settlements List facilitates the award of discretionary rural rate relief worth £111,701.69 in 2009/10, to 72 small rural businesses, at a cost to the Council of £27,925.42.
	Legal	The Council has a legal duty to set and publish the rural settlements list for each financial year by 31 <sup>st</sup> December of the previous year. Authority to agree the settlements has been delegated to the Resources Portfolio Holder.
	Staffing	None
	Risk Management	The Council must agree and publish its Rural Settlement list by 31 <sup>st</sup> December 2009 in order for businesses to benefit from relief in 2010/11.
	Equal Opportunities	None
