

Topic Selection Criteria

When considering whether to adopt an item onto its agenda programme, the Committee will score the item using the following criteria:

1. **Public Interest:** the concerns of local people should influence the issues chosen for scrutiny
(1= low public interest, 2=medium public interest, 3=high public interest)
2. **Ability to change:** priority should be given to issues that the Committee can realistically influence
(1= little chance of changing, 2=reasonable chance, 3=good chance)
3. **Performance:** priority should be given to the areas in which the Council, and other agencies, are not performing well.
(1= good performance, 2=moderate performance, 3=low performance)
4. **Extent:** priority should be given to issues that are relevant to all or large parts of the District.
(1= only one ward, 2= multi-ward issue, 3=the entire District)
5. **Replication:** work programmes must take account of what else is happening in the areas being considered to avoid duplication or wasted effort.
(1= already well covered, 2=already partly covered, 3=not already covered)

Also of major importance is the extent to which any potential scrutiny issue has implications for the Council's priorities, as well as the overall vision:

“To make South Cambridgeshire a safe and healthy place where residents are proud to live and where there will be opportunities for employment, enterprise and world-leading innovation. We will be a listening Council, providing a voice for rural life and first-class services accessible to all.”
