<sup>1</sup> 'Independent' in this context means simply a person who is not a member or officer of the Council, any parish council in the district or any other relevant authority – "the relevant authorities". It has no connotation with political independence from any party or political group

<sup>2</sup> 'Parish councils' in this context refers to any parish or community councils within South Cambridgeshire.

This recommendation was removed from the more recent publication, Independent Members (Standards for England, January 2010), and this paragraph has been updated accordingly.</p>
	<p><b>9.02 (g) Removal of a Member due to non-attendance:</b> The Council may remove a Council, Independent or Parish Member from the Standards Committee if that member has missed four consecutive meetings of the body concerned (see Council Standing Order 23).</p>	<p>Wording added by Standards Committee on 10 March 2010, but not yet forwarded to Council. Such removal would not be automatic: the Council <b>may</b> remove the member.</p>

	<p><b>9.02 (h) Removal of a parish council member:</b>  The Council reserves the right to remove any parish member from the Standards Committee if it considers that it is no longer in the best interests of the Council, the parish councils and the residents of South Cambridgeshire for that member to remain. Written notice of motion, giving reasons, signed by or on behalf of at least fifteen parish councils from within South Cambridgeshire, or by five members of the Standards Committee, must be delivered to the Monitoring Officer not later than seven working days before the date of the Council meeting. Any such motion shall be carried only if at least two thirds of the members present at the Council meeting are in favour.</p>	<p>Text is copied directly from Council Standing Order 2.2, to which the Standards Committee already is subject, including an additional process to ensure that Parish Councils also have the right to request that a member be removed, but that the final decision will rest with the Council. Without the addition, Parish Members could be removed only by Council upon written notice of motion signed by or on behalf of any five members of the Standards Committee.</p>
	<p><b>9.02 (i) Removal of an independent member due to disqualification:</b> An independent member will be removed automatically from the Standards Committee immediately upon a change of circumstance which would prevent that member from being qualified to continue serving as an independent member (see 9.02(c)) and notification of the removal of the independent member due to disqualification will be reported to the next meeting of full Council.</p>	<p>Reflects statutory requirements that an independent member would automatically cease to be a member of the Standards Committee if they no longer met the established criteria. This process has already been in place since the establishment of the Standards Committee and the wording has been added to Article 9 to provide clarity, but does not change existing practise.</p>
