Subject: Question for cabinet meeting 9th September from Gamlingay Parish Council

Good morning Holly,

I understand via Cllr Bridget Smith that we can table a question for Thursday's cabinet meeting. I would be grateful if you could put forward the following on behalf of Gamlingay Parish Council:

"What evidence of community involvement and success in delivering community benefit by Gamlingay Village College has SCDC and its officers considered in making the recommendation to award the MUGA to the school rather than a community partnership led by Gamlingay Parish Council?"

It's my intention to attend in person on Thursday. I understand we can also ask a follow-up question at that time.

Thank you.

Nick (Chair of Gamlingay Parish Council)
