Grants Portal

Here, you will find all information relating to grants available from SCDC. The grants you can apply for now fall into 3 categories as follows:

Service Support Grants

Service Support Grants are available to the voluntary and community sector only. They are a contribution to the running costs (revenue costs) of an organisation, group or project. There are 3 types of service support grant. Follow this link to find out more and to find out if you are eligible.

Capital Grants (Facilities and Conservation)

Capital grants are available to a wide range of voluntary and community sector organisations, parish councils, facility committees, individuals and other groups - it all depends on the type of grant sought and there are many different types. Follow this link to find out more and to find out if you are eligible.

Community Chest Grants

Community Chest Grants are available to voluntary and community sector groups and parish councils. They are small grants of up to £1000 for one-off costs relating to a project or activity. Follow this link for more information and to find out if you are eligible.

As you will see on the following pages, groups and organisations in the Voluntary and Community Sector (VCS) are eligible for many of our grants. At SCDC we are committed to maintaining Compact principles wherever possible. This means that we will work as closely as possible with the VCS with regard to:

- Procurement
- Grants
- Services and Programming
- Policy
- Consultation and Engagement
- Community Involvement and Partnerships
- Strategic Leadership and Management
