

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

REPORT TO: Corporate & Customer Services Portfolio Holder

18 April 2013

AUTHOR/S: Executive Director (Corporate Services)

STRATEGIC RISK REGISTER – QUARTERLY REVIEW

Purpose

1. The purpose of this report is to enable the Corporate & Customer Services Portfolio Holder to perform the quarterly review and approval of the Strategic Risk Register.
2. This is not a key decision but it has been brought to this meeting because the Corporate & Customer Services Portfolio Holder has been designated as the lead executive Member for risk management, with responsibility for management of the strategic risks facing the Council.

Recommendation

3. That the Corporate & Customer Services Portfolio Holder approves the Strategic Risk Register and Matrix.

Reasons for Recommendation

4. The Strategic Risk Register and Matrix forms the record of corporate risks the Council currently faces in the delivery of services and the achievement of strategic aims, together with control measures to address / sources of assurance over the risks.

Background

5. The Corporate & Customer Services Portfolio Holder as the designated lead executive Member for risk management, has responsibility for management of the strategic risks facing the Council and reviews the Strategic Risk Register quarterly.
6. Corporate Governance Committee monitors the portfolio holder's review and approval of the Strategic Risk Register on an annual basis.

Considerations

7. The Strategic Risk Register has been reviewed by the nominated risk owners and Executive Management Team (EMT). Changes proposed to risk descriptions, control measures / sources of assurance or timescales to progress are highlighted in the draft Strategic Risk Register, attached as **Appendix A**.
8. The draft Strategic Risk Register at Appendix A enables movement in strategic risk scores to be monitored, where Red / Amber / Green means:

for risks previously above the line

for risks previously below the line

Red:	• the score has increased	• the score has increased to above the line
Amber:	• the score has not changed, or has decreased but stays above the line	• the score has increased but stays below the line
Green:	• the score has decreased to below the line	• the score has not changed, or has decreased

9. At the meeting on 18 October 2012, the portfolio holder agreed that the Strategic Risk Registers reported to EMT and himself should only show risks with a combined score of 5 or more. There are currently two such risks, STR21 Keeping up with technology development, and STR16 Depot size, both with a score of 4.
10. The draft Strategic Risk Matrix, attached at **Appendix B**, shows risk Impact and Likelihood scores in tabular form. The Appendix also shows **greyed out**, those areas where risk scores are considered to be relatively minor in nature.

Options

11. In reviewing the Strategic Risk Register CorVu report and Matrix (paragraphs 7 to 10 and Appendices A and B), the Corporate & Customer Services Portfolio Holder could:
- (a) add to, delete from, or make other changes to risks, in terms of either the title or detail of the risks or control measures / sources of assurance;
 - (b) alter the assessment of risks, in terms of either their impact or likelihood.

Implications

12. Financial, Legal, Staffing	There are no immediate financial, legal or staffing implications resulting from this report. Some control measures may have financial, legal or staffing implications; if so, these will be considered separately.
Risk Management	Risk management is undertaken regularly in order to minimise the possibility of the Council being adversely affected should either an unforeseen risk arise or an assessed risk not be properly planned for.
Equality and Diversity	The Council's risk management process has no inherent equality and diversity implications; however, Equalities is included as a risk area on the Strategic Risk Register.
Equality Impact Assessment completed	No Not applicable, as this is a report about a quarterly review, rather than a new or updated strategy, policy or procedure.
Climate Change	The Council's risk management process has no inherent climate change implications; however, Climate Change is included as a risk area on the Strategic Risk Register.

Consultations

13. Risk owners and members of EMT have been consulted regarding various aspects of this report.

14. There will be liaison with officers as appropriate regarding the implementation of decisions made by the Corporate & Customer Services Portfolio Holder regarding this report.

Consultation with Children and Young People

 - (a) they contribute to the Council's corporate governance responsibilities;
 - (b) they also ensure that strategic risks involved in the delivery of the Council's Corporate Plan and in meeting the Strategic Aims are identified and managed.

Conclusions / Summary

18. The quarterly review of the Strategic Risk Register enables the Council to manage its strategic risks to an acceptable level.
