I declare that South Cambridgeshire District Council complies, as far as is reasonably practical, with the above applicable Health & Safety legislation and regulations and other South Cambridgeshire District Council Health & Safety polices and requirements.

It is recognised that improvements can continue to be made in complying with legislation, in particular improvements will continue to be targeted at: Manual Handling, Employee Protection, Control of Asbestos, Fire Safety and Display Screen Equipment.

Jean Hunter
Chief Executive
19 November 2013
