

Public Speaking

at meetings of the Planning Committee

April ~~2013~~2014

DRAFT

What is the Planning Committee?

The Council's Planning Committee consists of 13 District Councillors and is responsible for the determination of the larger, more complex or sensitive planning applications submitted to the Council. It also deals with other matters such as some public rights of way, the protection of important hedgerows, tree preservation and the administration and enforcement of building regulation regimes for existing or proposed buildings. A complete list of matters decided by the Planning Committee can be found by looking at the Council's Constitution (insert link).

When and where do Planning Committee meetings take place?

The Planning Committee meets in the Council Chamber at South Cambs Hall, Cambourne Business Park, Cambourne, Cambridge, CB23 6EA at 10.00am on a Wednesday, which is usually the first Wednesday each month. Further details, including contacts, directions, and variations to dates are available on the Council's website (www.scambs.gov.uk and follow the links from 'Your Council') or by phoning Democratic Services on 03450 450 500.

Can anyone attend Planning Committee meetings?

Meetings of the Planning Committee are open to the public, so anyone is able to attend. A range of people with differing interests in specific applications observe these meetings, whether they are applicants or an applicant's agent, objectors, neighbours or other residents, local District Councillors or members of Parish Councils. Despite being a public meeting, in some very occasional cases the law does allow the committee to consider some matters in private. For example, an application may contain information of a personal or commercially sensitive nature that the Council would not be able to publicise. In every case, however, the public interest in excluding the press and public from the meeting room must outweigh the public interest in having the information disclosed.

Can anyone speak at Planning Committee meetings?

~~The Planning Committee welcomes public speaking and participation from outside of the Committee's membership. Other than Members of the Planning Committee and the Council's officers, there are four main categories of other people able to speak at meetings of the Committee:-~~

- ~~(1) Objector~~
- ~~(2) Supporter (usually the applicant or planning agent)~~
- ~~(3) Parish Council representative (but not the Clerk)~~
- ~~(4) Local District Councillor(s).~~

The Planning Committee welcomes public speaking and participation from outside of the Committee's membership. Other than Members of the Planning Committee and the Council's officers, there are four main categories of other people able to speak at meetings of the Committee: -

- (1) Objector
- (2) Supporter (usually the applicant or planning agent)
- (3) Parish Council representative (but not the Clerk)
- (4) Local District Councillors

subject to the Chairman having the discretion to invite back the applicant to address objections, in no more than two minutes, from the Parish Council and local Councillors

Parish Councils and local Members speak as part of the planning process, regardless of whether they support or oppose an application. Objectors and Supporters speak as part of the specific application and, except in exceptional circumstances identified by the Committee Chairman prior to the meeting, number one in favour and one against. Where more than one objector or supporter exists, they are encouraged to agree between themselves on a presentation that covers all their concerns.

In exceptional circumstances, the Committee Chairman may opt to make special arrangements such as where a neighbouring parish is perceived as being significantly affected by a proposal, or for a Portfolio Holder to speak.

What can people say and for how long can they speak?

Each speech is limited to three minutes. Speakers are advised to restrict themselves to material planning considerations such as:

- Design, appearance, layout, scale and landscaping
- Environmental health issues such as noise, smells and general disturbance
- Highway safety and traffic issues
- Impact on trees, listed buildings, biodiversity, conservation areas and other designated sites.
- Loss of an important view from **public** land that compromises the local character
- Planning law and previous decisions including appeals
- National Planning Policy Framework and Planning Policy Guidance
- South Cambridgeshire Local Development Framework
- Visual and residential amenity

Committee members will **not** be able to take into account issues such as:

- boundary and area disputes
- perceived morals or motives of a developer
- the effect on the value of property
- loss of a **private** view over adjoining land (unless there is a parallel loss of an important view from public land)
- matters not covered by planning, highway or environmental health law
- covenants and private rights of access
- suspected future development,
- processing of the application,
- the retrospective nature of a planning application

Speakers should be careful not to say anything derogatory or inflammatory, which could expose them to the risk of legal action. After the objector and supporter have spoken, Committee members may ask speakers to clarify matters relating to their presentation. If those registered to speak are not present in the meeting room by the time the relevant item is considered, the Committee won't be able to wait, and will determine the application – officers will be able to say whether a particular item is at the beginning, middle or end of the agenda, but cannot give an accurate idea of when it will be considered.

Committee members will have read the written reports prepared for them, so speakers should try to avoid repeating points that are already explained in that material.

Can public speakers give Committee members written information or photographs relating to an application or objection?

Yes, but **not** at the meeting itself. Councillors will be given lots of information to read and digest before the meeting, so need to be given as much time as possible to read or view the information.

Appendix B

Please send such information, preferably by e-mail, to Democratic Services (ian.senior@scams.gov.uk), who will circulate the information for you. In practical terms, such information will not be distributed earlier than seven days or later than two days before the meeting. Please do not supply information directly to members of the Planning Committee.

Projection equipment operated by Council officers is available in the Council Chamber.

How are applications considered?

The appropriate planning officer will introduce the item. Committee members will then hear any speakers' presentations. The order of speaking will be as stated above. The Committee will then debate the application and vote on either the recommendations of officers in the agenda or a proposal made and seconded by members of the Committee. Should the Committee propose to follow a course of action different to officer recommendation, Councillors must give sound planning reasons for doing so.

The Council is committed to improving, for all members of the community, access to its agendas and minutes. We try to take all circumstances into account but, if you have any specific needs, please let us know, and we will do what we can to help you.
