Updates on items that are of particular note

9. Updates are as follows:

a. Stapleford: Breach of Enforcement Notice on land adjacent to Hill Trees, Babraham Road.

Work still in progress regarding legal action relating to the current breach of enforcement. Additional concern noted since the March report regarding the stationing of a mobile home on the nursery land section and the importation of brick rubble to form a track to link the upper field to the main residence. Assessment to the Planning Contravention response and the site inspection 10th May 2013 has confirmed the breach of planning control relating to the engineering operation to the new track, and breaches relating to the planning enforcement notices. A report to the planning committee was prepared and submitted. The

Committee authorised officers to apply to the Court for an Injunction under Section 187B of the Town and Country Planning Act 1990. Members agreed the reasons for the application as being the desire to protect and enhance the character and amenity of the immediate countryside and the setting of Cambridge, Stapleford and Great Shelford in view of the site's prominent location, and the need to address highway safety issues arising from access to the site directly from the A1307

The Injunction statement has now been considered by Counsel with further information being requested in order that the Injunction application can be submitted. Information is currently being collated in order to prepare a further report to submit to the Planning Committee.

Report prepared and formed part of the May Planning Committee Agenda. The Committee resolved to give officers the authority sought in paragraph 8 of the report from the Planning and New Communities Director for the reasons set out in paragraphs 9, 10 and 11. Further inspection of the land carried out, Statements under Legal consideration
