Hi

Douglas Christian 33 The Doles Over Cambridge CB24 5NW 07908235998 has asked for a call back from Gail Cooke please regarding the noise from the community centre at night, he said he had to go over there at 10.30 on Sunday and ask them to turn it down.

He had his tele at 75% and still could not hear it. He thinks he should have been made aware of the community centre when he was showed round and wants to discuss this please

Thank You

Christine
