8. **Updates on items that are of particular note**

a. Stapleford: Breach of Enforcement Notice on land adjacent to Hill Trees, Babraham Road.

Work still in progress regarding legal action relating to the current breach of enforcement. Additional concern noted since the March report regarding the stationing of a mobile home on the nursery land section and the importation of brick rubble to form a track to link the upper field to the main residence. Assessment to the Planning Contravention response and the site inspection 10th May 2013 has confirmed the breach of planning control relating to the engineering operation to the new track, and breaches relating to the planning enforcement notices. A report to the planning committee was prepared and submitted. The Committee authorised officers to apply to the Court for an Injunction under Section 187B of the Town and Country Planning Act 1990. Members agreed the reasons for the application as being the desire to protect and enhance the character and amenity of the immediate countryside and the setting of Cambridge, Stapleford and Great Shelford in view of the site's prominent location, and the need to address highway safety issues arising from access to the site directly from the A1307

The draft statements supporting the proposed proceedings have now been considered by Counsel with further information and authorisations being requested in order that the Injunction application can be submitted.

In May 2014, Committee resolved to give officers the authority sought and further work on compiling supportive evidence undertaken since. Periodic inspections of the land have been carried out, most lately in April 2015 (confirming occupation has not ceased, and that breaches of control are continuing and consolidating). Statements accordingly being revised and finalised to reflect; injunction proceedings still appropriate and proportionate to pursue

A claim against the occupier of the land in which the Council is seeking a planning injunction has now been issued in the High Court. A Defence has since been lodged to the Council's proceedings, and an attempt is being made to issue Judicial Review proceedings challenging the resolution to seek an injunction.

Following consideration of the documents lodged by the Claimant and Acknowledgement of service filed by the defendant, permission was refused; the application was considered to be totally without merit. Order by Rhodri Price Lewis QC, sitting as a Deputy High Court Judge - Injunction application, has been listed for an initial hearing at the High Court on 24 September; Hearing postponed

due to the health of the defendant, hearing re-listed for 17 November 2015.

b. Plot 11, Orchard Drive – Smithy Fen

Application received for the change of use of plot 11 Orchard Drive to provide a residential pitch involving the siting of 1 mobile home and one touring caravan, an amenity building for a temporary period until 2 May 2018.

The application has in accordance with section 70C of the Town & Country Planning Act 1990 been declined. The applicants have applied for permission for a Judicial Review.

Permission granted by the Honourable Mrs Justice Patterson DBE, Grounds to resist being filed both by the Council and by the Secretary of State for Communities and Local Government as second defendant. Judicial review date set for 29th October 2015

c. Land at Arbury Camp/Kings Hedges Road

Notices part complied, remaining items under review

Further six breach of conditions notices issued relating to landscaping A Site inspection with local parish, landscaping, planning and representatives from persimmon homes has now taken place, and that appropriate steps are being taken to remedy the identified breaches of Conditions

d. 113b High Street Linton – Winners Chinese Take-Away

Windows & doors not fitted as per approved drawing. Breach of Conditions Notice served 19th February 2015. Changes made but windows and doors still not in accordance with approved drawing. Summons file submitted. Date set for the 3rd September 2015 Cambridge Magistrates Court – The defendant was found guilty and fined £1000.00p + costs. Works to be carried out to ensure compliance with approved drawings - Monitoring continues

e. Sawston Football Club

Failure to comply with pre-commencement conditions relating to planning reference S/2239/13 – Current site clearance suspended whilst application to discharge conditions submitted by planning agent. Application to discharge pre-commencement conditions received - Site monitoring continues

f. 176 – 178 Cambridge Road Great Shelford

Erection of 70 bedroom Residential Care home with ancillary accommodation – Planning reference S/0600/13/FL. Condition 14 contained within the planning permission requires the developer to park contractor vehicles within the curtilage of the site and not on street.

Currently neighbours are complaining that as many as 25 contractor vehicles are parking in the streets adjacent to the site. Warnings have been issued to the site management but despite these there is still a breach of condition that needs to be addressed. A Breach of condition notice will be shortly issued in order to remedy this breach.
