Dear Sirs

Re: Neighbourhood Plan Area Designation for Swavesey

Please find enclosed a completed Application to designate a Neighbourhood Area for Swavesey Parish.

The proposed area is to be the entire Parish, as shown by the Parish Boundary line in blue on the enclosed plan area. I understand that following recent legislation, as we are designating the entire parish the application will not need to go through the public consultation period, therefore we do not need to provide the list of consultees, as stated in the application form. If that is incorrect and you do require this list, please let me know.

I look forward to hearing from you in due course

Yours faithfully ,

Linda Miller
Clerk

Within South Cambridgeshire District only Parish Councils can apply for Neighbourhood Area designation. These will be the 'qualifying body' in this District – a term used in the regulations for Neighbourhood Planning. As the Local Planning Authority, South Cambridgeshire District Council (the Council) will need to undertake various periods of statutory consultation on your proposals.

- 8 **Proposed Neighbourhood Area**
The parish boundary might provide a good basis for a Neighbourhood Area but this is not obligatory. You must state why you consider the boundary you have proposed appropriate for designation. Without this information, your application cannot be processed.

Also, you must provide an Ordnance Survey Map showing clearly the boundary of the proposed Neighbourhood Area. Your application cannot be processed without a map. If you need help to prepare a map please contact Neighbourhood.Planning@scambs.gov.uk or call 01954 713182

Parish Boundary

The River Gt Ouse to the North and A14 to the South provide significant boundaries and impacts on the village. The west and east boundaries are through Nature Reserve and agricultural areas between neighbouring villages. With pressures for development all around the village, the agricultural surround to the village is considered important for the future of the village.

The main issues the Parish wishes to cover in its Neighbourhood Plan (housing, conservation, business, open spaces, traffic and transport) fall within the developed and undeveloped areas of the Parish. It was therefore agreed that the whole Parish should be included within the Designated Area, which was supported through consultations with local residents.

The Parish Council contacted all of the other Parish Councils directly bordering Swavesey Parish to see if they were considering a Parish Plan and if so if there were any joint possibilities. No other Parishes are currently considering embarking on this project.

- 9 **Local publicity about your proposal to prepare a Neighbourhood Plan**
Please tell us what you have done so far to let your local community (e.g. residents, landowners, businesses) know you are considering preparing a Neighbourhood Plan for the proposed neighbourhood area. For example have you run public events, placed articles in the local press, made efforts to reach isolated residents?

The Parish Council has discussed a Neighbourhood Plan for some time but this has become a more serious consideration during the past year. Particularly so due to pressures of development in and around the village. The Parish Council has consulted with residents and investigated the process by:

Alison Talkington from SCDC visited Swavesey Parish Council on 4th February to introduce the Neighbourhood Plan process and give advice on how to start.

Cllrs visited Cottenham Parish Council's NH Plan leaders in February 2016 for advice on how to start up and structure the project.

Parish Clerk contacted other SCDC Parish Clerks involved in Parish Plans to gain further advice: Cottenham, Gamlingay, Linton, Waterbeach.

Main presentation at the Annual Parish Meeting in May 2016, introducing the idea and background of a Neighbourhood Plan to residents.

Cllrs attended presentations on NH Planning: Cambs ACRE Roadshow in Ely on 21st March 2016. SCDC Seminar on 20th July 2016.

Copies of adopted Plans from other areas obtained to show how finished plans looked and policies included.

Parish Council stall at the Primary School Fayre in May 2016, to speak to parents and residents and hand out a consultation leaflet about a Neighbourhood Plan and look to recruit interested people for the working group.

Parish Council stall at the Village Festival Gala Day in June 2016, to speak to residents, promote the idea of the Neighbourhood Plan, hand out a consultation leaflet and look to recruit people for the working group.

Articles in the village magazine, delivered free to every household, explaining what a Neighbourhood Plan is and asking for comments from residents. Issues in June/July and Aug/Sept 2016. A further article going into the Dec/Jan issue.

Village website. Articles and posts giving further information about the consultations and discussions regarding a Neighbourhood Plan.

Parish Council Minutes, discussions at various meetings during 2016, all of which are published on the village website.

A general consensus from residents supported the Parish Council proceeding with a Neighbourhood Plan. Many residents are very concerned over future development proposals, how the village might grow and how to protect its community feel and facilities.

Guidance Note – please read the ‘Frequently Asked Questions’ before completing this form

Application for Neighbourhood Area designation

This is the first formal step in the development of a Neighbourhood Plan – a Neighbourhood Area must be designated before a Neighbourhood Plan can be developed. We recommend discussing your objectives with Council officers prior to completing this form, to ascertain whether this is the most appropriate vehicle for you and what support is available to develop your Plan. Working with neighbouring parishes with similar issues could reduce the workload and increase the pool of expertise and knowledge needed for the production of a Neighbourhood Plan.

Community engagement and consultation may need to take place before making an application to designate a Neighbourhood Area. Does the local community support the production of a Neighbourhood Plan? What are the issues as they see them? What Neighbourhood Area boundary options have they been given? Have they expressed a preference? Details of this community engagement should be detailed in Question 9.

Qualifying Body (sometimes referred to as the ‘relevant body’)

Applications must include a statement confirming that the parish council is the qualifying body.
Your application is not complete without this information.

Areas with no parish council

Parish meetings can either get involved with the Neighbourhood Planning in an adjoining parish or apply to the Council to be designated as a Neighbourhood Forum, which can prepare its own Plan. If you think this applies to you, please contact the Council for assistance.

Filling out the form

South Cambridgeshire District Council has prepared this form to make it simple to apply for Area Designation. The contact address used on this form should be the main contact for future communication on the Neighbourhood Plan. Please be aware when completing the form that the information given may need to be published online.

Local Contacts

The Council must publicise the application for designating a Neighbourhood Area. You know your local community and are asked to submit with your application form, details of local contacts that that Council will use in carrying out its statutory consultation. Please ensure that you have enclosed (and send electronically wherever possible to Neighbourhood.Planning@scambs.gov.uk) a list of addresses with postcodes and email addresses to named individuals for as many local stakeholders as possible, including businesses, community groups, landowners and education providers. This information will not be posted on our website but needs as far as possible to be professional contact information and not the personal details of individuals who may not wish to be contacted or consulted on this matter. Information shared with us will be used for the sole purpose of statutory Neighbourhood Planning consultations.

Your application is not complete without this information.

Map of the Area

If you need help to prepare a map showing the Neighbourhood Area please contact Neighbourhood.Planning@scambs.gov.uk or call 01954 713182.

Your application is not complete without this information.

What happens next?

The Council must publicise the Area application on its website and in such other manner as they consider is likely to bring it to the attention of people who live, work or carry out business in the area to which the application relates. There will be a period of not less than 4 weeks of statutory public consultation when the Council will invite comments on the application.

Decision to designate

The Council will decide whether to designate the Neighbourhood Area.

Decisions will be made:

- Within 8 weeks where the parish council is the qualifying body and the entire parish area is nominated
- Within 20 weeks where the proposed area falls across two or more Local Authorities
- 13 weeks in all other cases

In all cases the time period runs from the date immediately following that on which the application is first publicised by the Local Planning Authority, i.e. the start of the statutory consultation by the Council and not from receipt of the application. The Council will notify the parish and publish decisions on its website. Reasons will be given if the application is not successful within the decision document.

The Council may modify the application with the parish's consent if it is considered the Neighbourhood Area is not appropriate.

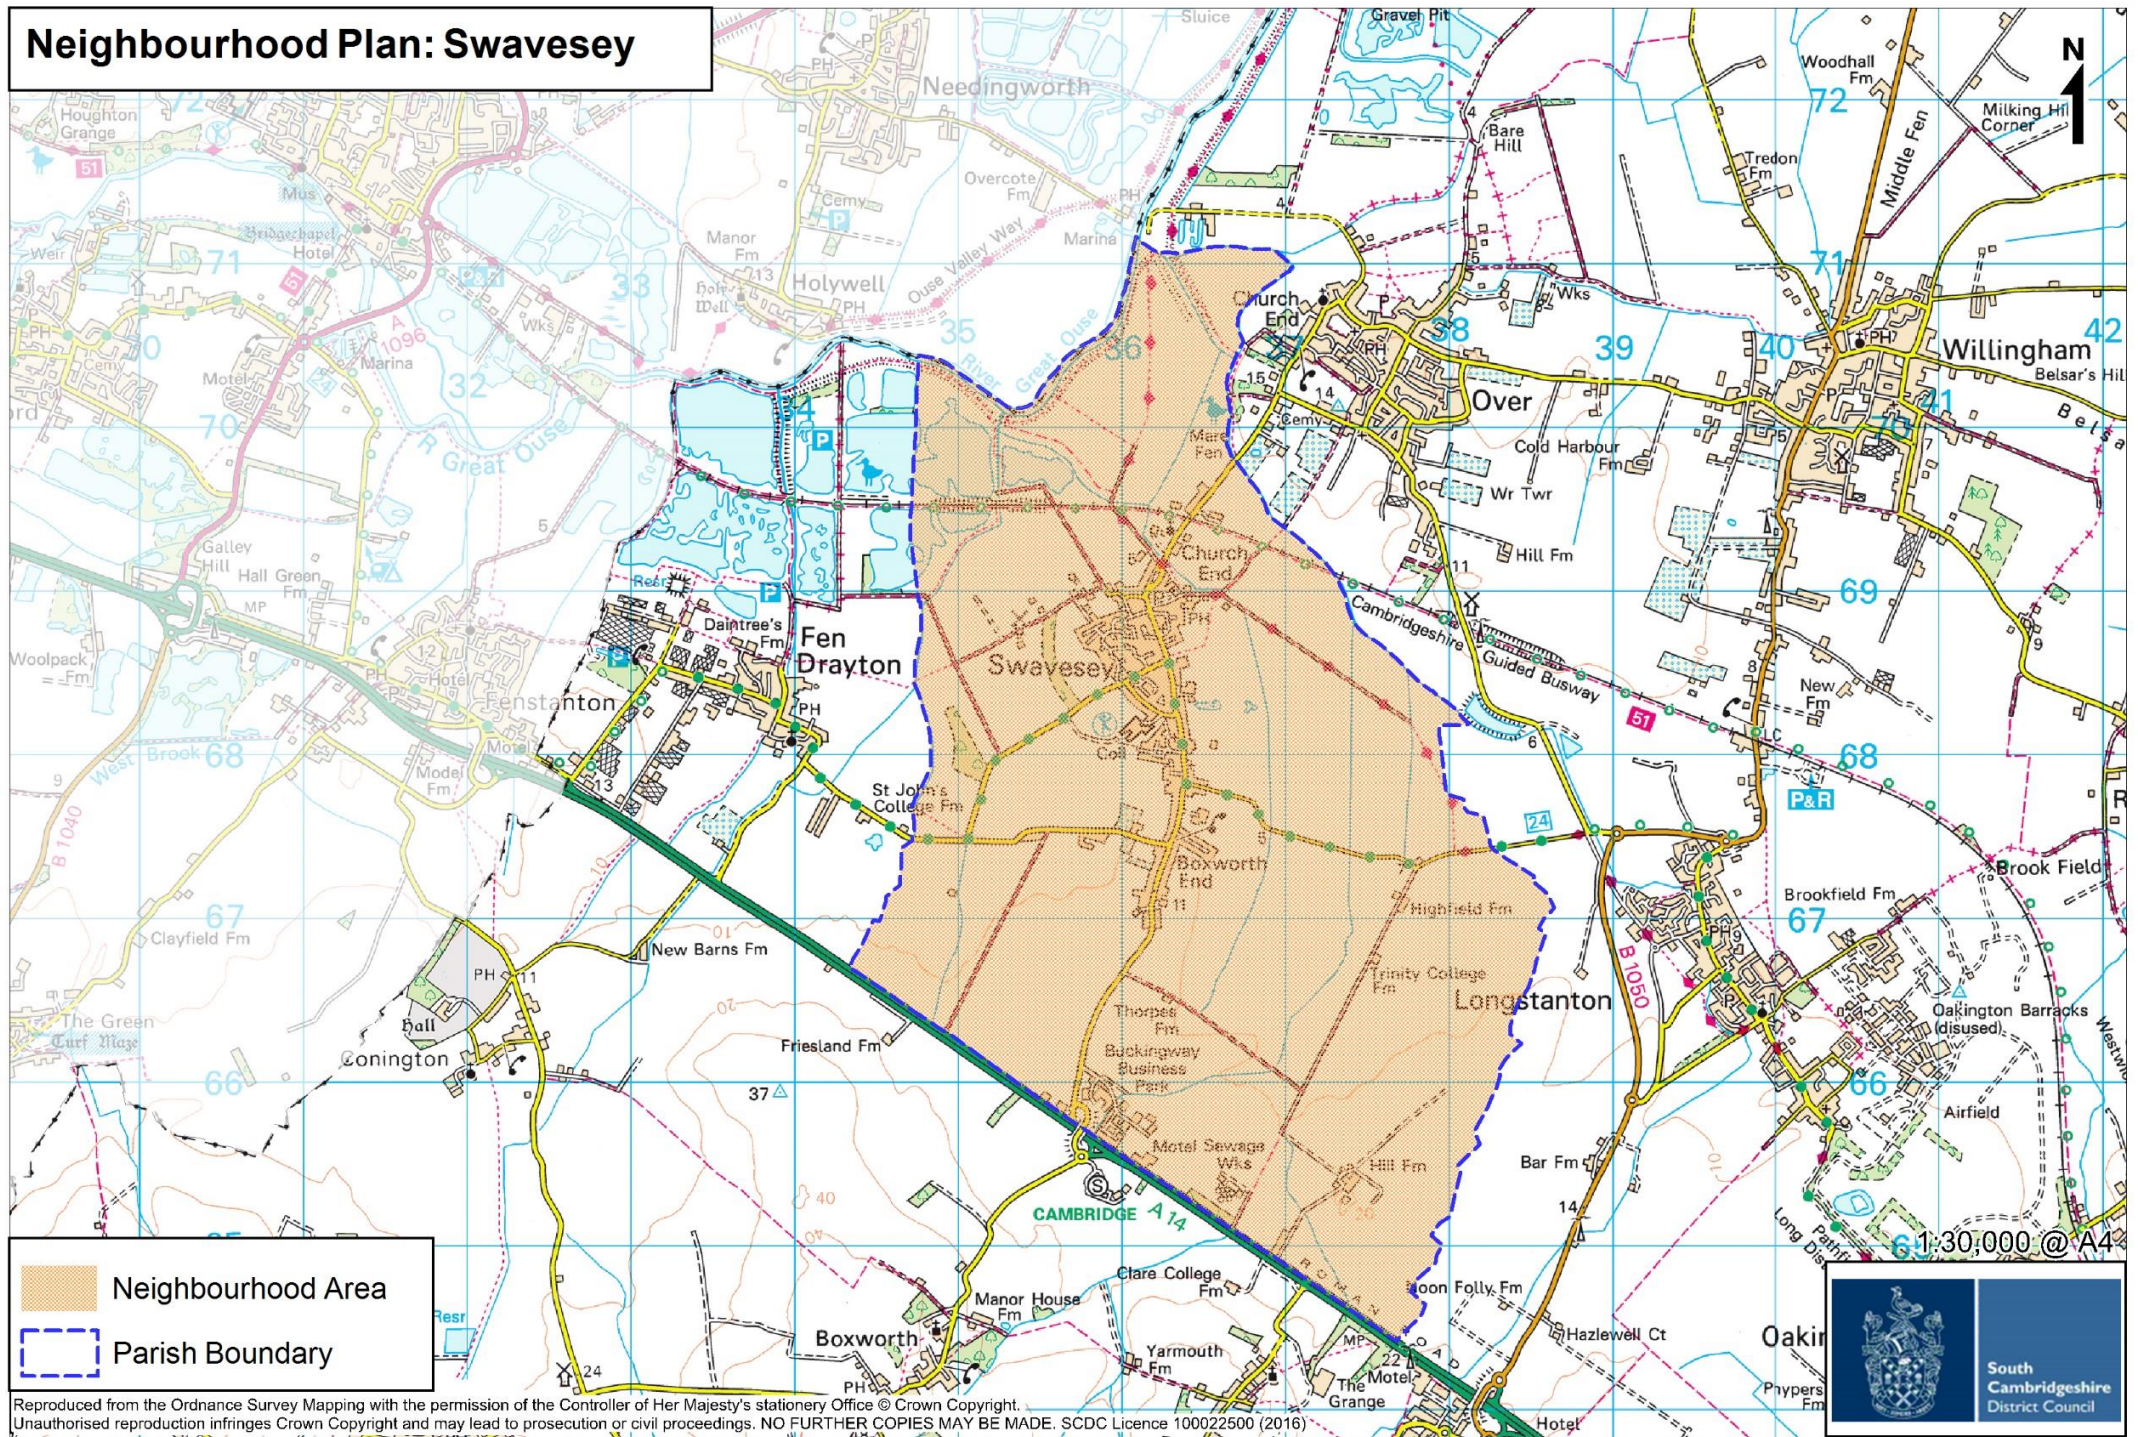

Checklist - have you...?
