SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

Ref	SCDC1
Type	Sport
Policy	SF/10
Required	YES
Detail	<p>The recreation study of 2013 highlighted that Linton had a deficient level of sports space against South Cambs policies (i.e. the policy requires 7.22 hectares whereas the village only has 3.03 hectares). The study also said that there is a “need for an additional football pitch to meet local need and improved drainage at the existing facility. The cricket club also require an additional pitch to meet the demand for additional junior teams”. It also said the football pitches are prone to flooding.</p> <p>Linton Parish Council has therefore put forward projects that would be located on the recreation ground. These projects include:</p> <ul style="list-style-type: none"> • BMX/skate park • Climbing wall • Changing the bowling green for possible use as Multi Use Games Area, sports/football training area, tennis court, etc. • Trim Trail for adult exercise <p>The SPD also establishes the quantum of offsite financial contributions in the event that the full level of onsite open space is not being provided:</p> <p>1 bed: £625.73 2 bed: £817.17, 3 bed: £1,130.04 4+ bed: £1,550.31</p>

Type	Offsite indoor community space
Policy	DP/4
Required	YES
Detail	<p>In accordance with Development Control Policy DP/4 infrastructure and new developments, all residential developments generate a need for the provision of, or improvement to, indoor community facilities. Where this impact is not mitigated through onsite provision a financial contribution towards offsite improvement works will be required.</p> <p>The Council undertook an external audit and needs assessment undertaken in 2009, in respect of all primary community facilities in each village. The purpose of this audit was threefold (i) to make a recommendation as to the indoor space requirements across the District (ii) to make a recommendation on the type of indoor space based on each settlement category and (iii) make a recommendation as to the level of developer contributions that should be sought to meet</p>

	<p>both the quantity and quality space standard.</p> <p>Whilst not formally adopted as an SPD, this informal approach was considered and approved at the Planning and New Communities portfolio holder's meeting on 5th December 2009 and has been applied since.</p> <p>The community facilities audit of 2009 highlighted that Linton had a deficient level of indoor community space against South Cambs policies (i.e. the policy requires 111m² per 1000 people therefore Linton requires 488m² of space, whereas the village only has 160m²). The study also highlighted that a number of improvements should be made to Linton Village Hall.</p> <p>Linton Village Hall is run by a charity and is said to accommodate 170 seated, 200 standing. It holds entertainment licence but no alcohol licence, no public dances, disabled access and toilet, basic kitchen available but no food preparation allowed on the premises. Evening functions should end by 11.45pm (source Cambridgeshire.net website).</p> <p>As such Linton Village Hall is not considered to satisfy South Cambs indoor community facility standards from a quality perspective as well as quantity.</p> <p>If the application were to be approved then Linton Parish Council would look to either (i) fund several internal and external improvements to Linton Village Hall or (ii) build a multipurpose community centre with a focus aimed at young people and which will be available for hire by scouts, guides, brownies and other users.</p> <p>Likely projects to improve Linton Village Hall include:</p> <ul style="list-style-type: none"> • Renovate/modernise the kitchen (mainly dates from 1970s) • refurbish the ladies' and gents' toilets, • Redesign the foyer to create a modern look and feel • Re-model the front façade to make it more attractive. <p>The contribution required as per the indoor community space policy would be:</p> <p>1 bed - £284.08 2 bed - £371.00 3 bed - £513.04 4+ bed - £703.84</p>

Type	Onsite open space and play area maintenance
Policy	
Required	YES
Detail	<p>Paragraph 2.19 of the Open Space in New Developments SPD advises that 'for new developments, it is the developer's responsibility to ensure that the open space and facilities are available to the community in perpetuity and that satisfactory long-term levels of management and maintenance are guaranteed'. The Council therefore requires that the on-site provision for the informal open space and the future maintenance of these areas is secured through a S106 Agreement. Para 2.21 advises that 'if a developer, in consultation with the District Council and Parish Council, decides to transfer the site to a management company, the District Council will require appropriate conditions to ensure public access and appropriate arrangements in the event that the management company becomes insolvent (a developer guarantee)'.</p> <p>It is the Local Planning Authority's preference that the public open space is offered to the Parish Council for adoption, recognising that the Parish Council has the right to refuse any such offer.</p> <p>If the Parish Council is not minded to adopt onsite public open space the owner will be required to provide a developer guarantee of sufficient value to be a worthwhile guarantee. Furthermore with the details of the guarantee and guarantor would need to be submitted to and approved in writing by the Council prior to commencement of development. Should this not be forthcoming the planning obligation will also be required to include arrangements whereby the long term management responsibility of the open space areas and play areas passes to plot purchasers in the event of default.</p>
