This is the third round of consultation on the emerging plan and following the consultation the minerals and waste authorities will submit the Proposed Submission Plan and background documents and the representations received to the Secretary of State for Examination.</p> <p>Appendix 1 to this decision sets out a report which looks at the representations previously made by Greater Cambridge Shared Planning on behalf of Cambridge City Council and South Cambridgeshire District Council and whether these have been taken forward into the Proposed Submission Draft. It recommends that a small number of further representations are made. These are all in support, but one also asks for further clarity on the uncertainty around the household waste recycling centre at Northstowe. The proposed representations are set out in Appendix 2 attached to this decision.</p> <p>The purpose of this decision is to agree the representations set out in Appendix 2 appended, so that they can be submitted before the deadline of 9<sup>th</sup> January 2020.</p> <p>Note:</p> <p>To ensure an aligned agreement between Cambridge City Council and South Cambridgeshire District Council, the Cambridge City Council Executive Councillor for Planning Policy &amp; Open Spaces is also taking an out of cycle decision at the same time.</p>
