Wednesday 27 March, New Statesman: [Two thirds of councils on course to miss climate targets](#)

New LGA polling has found that two thirds of councils are not confident of hitting their climate targets, more than half won't bid for net zero funding because it's too expensive.

4. View Planning Applications

To view the list of planning applications that have recently been submitted to the Council, please visit the authority's on-line [Planning Application Search](#).

The system will provide a range of information on current and decided applications since 1948, including a brief description of the development, reference number, decision and the date of decision. More recent applications show the name and telephone number of the council officer who is dealing with the application.

Search results are presented in a collection of pages, the number of which depends on the number of results your search produces. There are navigation tools to allow you to browse your results.

In accordance with the [Access to Information Procedure Rules in Part 4 of the Council's Constitution](#), any executive decision shall be published normally within five days of being made. That record will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless called in for review by the Chairman of the Scrutiny and Overview Committee or by any five other councillors.

A list of decisions currently within the call-in period is available [on the Council's website](#).

The call in procedure is set out in full in [Part 4 of the Council's Constitution, 'Scrutiny and Overview Committee Procedure Rules'](#).
