**2. County Lines (and exploitation of young people) awareness from South Cambs Community Safety Partnership (CSP)**

A relationship between a drug dealer and a local young person may begin in a way that feels friendly and beneficial to the young person, and so they may not tell their parents the details, or realise they are at risk. The South Cambs CSP, led by officers within SCDC, are hosting [Ivison Trust](#) who have a wealth of experience supporting families, to raise awareness of signs to look out for and ways to find support.

The session will take place at [Cambourne Soul](#) on **Weds 8th May from 6:30pm**. You can find more details here: [County Lines Awareness in Cambridgeshire - Free Parent Session Tickets, Wed 8 May 2024 at 18:30 | Eventbrite](#). The session is open to over 18s from across the district, we hope to host further sessions in other areas and any questions can be directed to [communitysafety@scambs.gov.uk](mailto:communitysafety@scambs.gov.uk). Please do advertise this session to your residents (there is also a [Facebook](#) event for ease of advertising)

## General Information

### 3. Media Monitoring

The Council's Communications Team produce a weekly summary of recent news items which is published in the Bulletin to help keep members informed of recent coverage of the Council.

Please contact the [Communications Team](#) for further information.

#### 4. Items of Interest from the Local Government Association (LGA)

##### Items of Interest from the Local Government Association (LGA)

The Local Government Association provides a list of news headlines relevant to its members. Please click the headlines below for more details.

**Friday 26 April, Politics Home: [Abuse of councillors](#)**

The Government should introduce legislation that would allow a council to proactively withhold councillors' home addresses from the public register of interests "as soon as possible", the LGA has said.

**Friday 26 April, Sky News: [Net-zero](#)**

Chris Stark, outgoing Chair of the UK Climate Change Committee, has said "net-zero" is the science-based goal which must be the focus of UK climate change policies.

**Monday 29 April, Times Radio: [Local elections](#)**

LGA Vice Chair, Cllr Joe Harris spoke to Times Radio yesterday ahead of polling day on Thursday, about the importance of voting in the local election.

**Tuesday 30 April, Times: [Oflog data used to compare council performance](#)**

Data has been published by the Office for Local Government (Oflog) measuring councils in 27 categories in five main areas: waste management, corporate and finance, adult social, planning and roads.

**Tuesday 30 April, Telegraph: [Homeless households placed out of area](#)**

An article about out of area housing placements for homeless households references the LGA's local government out of area placements guide published in January 2023.

**Wednesday 1 May, FT: [Council funding](#)**

The LGA's previous analysis of the funding gap facing English councils was reported in an article on local government funding pressures and the difficult budget decisions councils have had to take this year.

**Wednesday 1 May, Times: [Planning applications](#)**

Property data provider Search Acumen has analysed government statistics on the number of major planning application granted by councils last year.

#### 5. View Planning Applications

To view the list of planning applications that have recently been submitted to the Council, please visit the authority's on-line [Planning Application Search](#).

The system will provide a range of information on current and decided applications since 1948, including a brief description of the development, reference number, decision and the date of decision. More recent applications show the name and telephone number of the

council officer who is dealing with the application.

Search results are presented in a collection of pages, the number of which depends on the number of results your search produces. There are navigation tools to allow you to browse your results.

## Executive Decisions Taken Since Wednesday 24 April 2024

In accordance with the [Access to Information Procedure Rules in Part 4 of the Council's Constitution](#), any executive decision shall be published normally within five days of being made. That record will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless called in for review by the Chairman of the Scrutiny and Overview Committee or by any five other councillors.

A list of decisions currently within the call-in period is available [on the Council's website](#).

The call in procedure is set out in full in [Part 4 of the Council's Constitution, 'Scrutiny and Overview Committee Procedure Rules'](#).

### 6. **Small grants for Community Growing Projects**

Lead Cabinet Member for Resources **agreed** to set a small grants fund totalling £5,000 to support cost of living projects.

This decision was first published on 29 April and so the deadline for call-in is 7 May, a day later than usual due to the bank holiday on Monday 6 May.

### 7. **Community Chest Grants**

The Lead Cabinet Member for Resources **agreed** to accept the recommendations of the Grants Advisory Committee.

This decision was first published on 30 April and so the deadline for call-in is 8 May, a day later due to the bank holiday on Monday 6 May.

### 8. **Greater Cambridge Air Quality Strategy**

The Lead Cabinet Member for Environment Services and Licensing **agreed** to adopt the Greater Cambridge Air Quality Strategy, which is a joint strategy with Cambridge City Council.

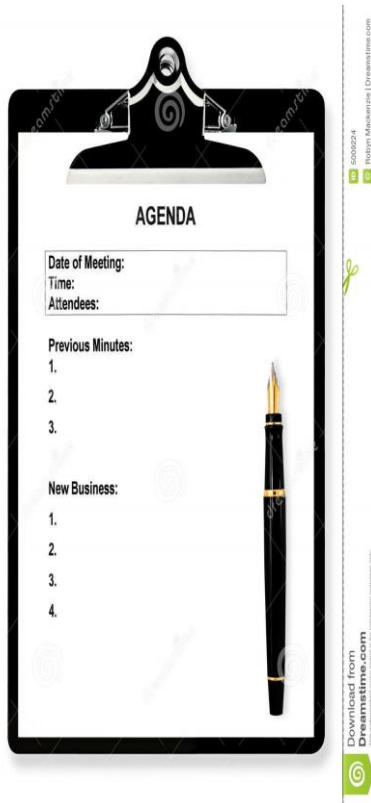

This decision was first published on 30 April and so the deadline for calling-in this decision is 8 May, a day later than usual due to the bank holiday on Monday 6 May.
